THE INDIAN LAW REPORTS.

Published in FOUR SERIES viz.

CALCUTTA, MADRAS BOMBAY AND ALLAHABAD.

THE Indian Law Reports, published under the authority of the Governor-General in Council, are printed in monthly Parts, which are issued, as soon as possible after the first of each month, at Calcutta, Madras, Bombay and Allahabad, respectively.

The Reports comprise four Series—one for the Calcutta High Court, a second for the Madras High Court, a third for the Bombay High Court, and a fourth for the Allahabad High Court.

The cases heard by the Privy Council on appeal from each High Court are reported in the Series for that High Court. Cases heard by the Privy Council on appeal from Provinces in India not subject to any High Court are reported in the Calcutta series.

The Calcutta Series is distributed by the Bengal Secretariat Book Depôt: and the Madras, Bombay and Allahabad Series are distributed direct from Madras, Bombay and Allahabad, respectively.

Persons desiring to subscribe for or purchase the Reports should apply to—

the Officer in charge Bengal Secretariat Book Depôt, Calcutta, or
the Superintendent, Government Press, Madras, or
the Superintendent, Government Central Press, Bombay, or
the Curator of Government Books, United Provinces of Agra and Oudh, Allahabad.

Acts of the Governor General's Council assented to by the Governor General.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

NOTIFICATION.

Delhi, the 11th January 1916.

An Ordinance to amend temporarily the Indian Paper Currency Act, 1910.

WHEREAS an emergency has arisen which renders it necessary further to amend, temporarily, the Indian Paper Currency Act, 1910, II of 1910.

Now, therefore, in exercise of the power conferred by section 72 of the Government of India Act, 1915, 5 & 6 Geo. V, c. 61. the Governor General is pleased to make and promulgate the following Ordinance :—

ORDINANCE No. I OF 1916.

Short title.

1. This Ordinance may be called the Indian Paper Currency (Amendment) Ordinance, 1916.

Amendment of section 22 of the Indian Paper Currency Act, 1910.

2. Section 22 of the Indian Paper Currency Act, 1910 (hereinafter called the said Act), shall be construed as if for the words "forty millions" in the proviso to that section, the words "one hundred millions" were substituted. II of 1910.

Power to include securities created by Government of India in reserve provided for by said Act.

3. Notwithstanding anything to the contrary in the said Act, any securities created by the Government of India and issued to the Head Commissioner of Paper Currency shall, for the purposes of the said Act, be deemed to be securities purchased by the Governor General in Council and the market price, on the day such securities are issued to the Head Commissioner of Paper Currency, of similar securities shall be deemed to be the price at which the securities so created were purchased; and all references to securities so purchased wherever occurring in the said Act shall be deemed also to refer to securities so created, and all references to sums expended in such purchases or to prices paid therefor shall be deemed in the case of securities so created to refer to such market price and the said Act shall be construed accordingly.

HARDINGE OF PENSHURST,
Viceroy and Governor General.

A. P. MUDDIMAN,
Secretary to the Government of India.

DEPARTMENT OF AGRICULTURE, BENGAL.

Final Forecast of the Sugarcane Crop of Bengal, 1915-16.

(Note.—On an average of the five years ending 1913-14, the area under sugarcane in Bengal represents some 9·5 per cent. of the total area under sugarcane in British India.)

Character of the Season.—Since the issue of the preliminary forecast the weather conditions have been, on the whole, satisfactory. The rainfall in August, September and October generally had a slight tendency to defect; but there was moisture enough in the fields for the growth of the crop. During August some damage was caused here and there by the excessive rainfall and floods, especially to the crop on the low-lying tracts of the Eastern Bengal districts. The fall in November was somewhat in excess, but a dry December followed.

Acreage.—The area planted with sugarcane this year is estimated to be 233,500 acres against 233,400 acres last year.

Outturn.—From the Appendix attached to the Report, it will be seen that fourteen districts report a crop between 90 and 100 per cent., seven districts between 80 and 85 per cent., and the rest between 60 and 78 per cent.

According to estimates of District Officers, the total outturn of the crop for the Province works out to 85 per cent. of the normal against 82 per cent last year.

Taking 35½ maunds as the normal rate of *cane-gur* per acre, the gross outturn for the Province is estimated at 5,176,600 cwts. against 4,991,700 cwts. last year.

Other sources of gur.—The total quantity of *gur* likely to be obtained this year from date palm juice is estimated at 1,983,800 cwts. and from palmyra palm juice 1,400 cwts. against 1,930,000 cwts. (revised) and 1,400 cwts., respectively, last year. The total quantity of *gur* in the Province from all sources this year is estimated at 7,161,800 cwts. against 6,923,100 cwts. (revised) last year.

Director of Agriculture, Bengal.

APPENDIX I.

Final Forecast of the Sugarcane Crop of Bengal, 1915-16.

DISTRICT	Estimated normal area under sugarcane	ESTIMATED AREA UNDER SUGARCANE.		TAKING 100 TO REPRESENT THE NORMAL, WHAT WOULD BE THE AVERAGE OUTTURN PER ACRE CROPPED.		Date by which the harvesting of the crop generally commenced this year, and whether that date was early, normal or late.	REMARKS BY DISTRICT OFFICERS
		Last year.	This year.	Last year.	This year.		
1	2	3	4	5	6	7	
	Acres.	Acres.	Acres.				
24 Parganas ...	5,100	3 300	3 800	83	100	Middle of November. Normal	The increase in area was due to greater attention paid to sugarcane cultivation than to tapping of date trees in the Barasat subdivision. The weather has been favourable
Nadia ...	7,900	5,700	5,700	83	96	First week of December Normal.	The weather was favourable except in the Chuadanga subdivision where there was insufficient rainfall and the outturn is a little less than the normal in consequence.
Murshidabad ...	3,600	3,300	3,400	83	92	November to January. Normal.	The weather was favourable The outturn is less by one anna owing to want of sufficient rain.
Jessore ...	3,900*	3,700	3,700	92	83	November. Normal.	The decrease in area as compared with the preliminary forecast is due to revision of the area in the Jhenidah subdivision The weather was favourable on the whole The damage caused by flood was about two annas Hence the outturn has fallen below th normal.
Khulna ...	1,500	1,300	1,300	100	100	.....	The weather was favourable and the outturn is expected to be normal.

Midnapore ...	3,000	3,000	3 000	90	84	Beginning of January. Normal.	The weather was not favourable owing to want of sufficient rainfall at the time of planting and for some time thereafter. The heavy rain in October and November had, however, a baneful effect on the crop The outturn is still below the normal
Hooghly ...	7,200	5,900	6,100	97	98	November. Normal	The weather was favourable from July to December and its effect on the crop was fair The outturn has slightly fallen below the normal
Howrah ..	8,500	4,000	5,000	69	100	January. Normal	The increase in area as compared with last year was due to extension of cultivation owing to the rise in price of sugar. The weather has been favourable and the outturn is expected to be normal
Rajshahi ..	18,000	13,100	13,100	80	85	By the middle of November. Normal.	The weather on the whole was favourable, but the rainfall was not sufficient for the growth of the crop. Hence the outturn is below the normal.
Dinajpur ..	25,000	30,300	26 700	87	78	Beginning of December. Normal	The decrease in area this year was due to want of timely rainfall. The weather has not been favourable The want of sufficient rain retarded the growth of the crop. Hence the outturn is below the normal.
Jalpaiguri ...	5,300	4,300	4,300	91	100	First week of November Normal	The weather was generally favourable and the outturn is expected to be normal

DISTRICT REPORTS ON WEATHER AND CROPS

For the week ending on the 24th January 1916.

Summary.—There was practically no rain during the week under report. Reaping of winter rice is almost finished, threshing continues. Harvesting of sugarcane and *rabi* crops is proceeding in some districts. The preparation of fields for the next autumn crops is in progress. The prospects of the standing spring crops are generally reported to be fair, but light showers would improve their condition. Gratuitous relief was given to 198 persons in parts of Dacca up to date. Cattle-disease is reported from four districts only. The average price of common rice for the province has slightly risen as compared with that of the previous week.

GOVERNMENT OF BENGAL.

POLITICAL DEPARTMENT.

The following notification, issued by the Government of India in the Legislative Department, published in the *Gazette of India Extraordinary*, dated the 26th January 1916, is republished for general information.

J. H. KERR,
Offg. Chief Secy. to the Govt. of Bengal.

NOTIFICATION.

Delhi, the 26th January, 1916.

An Ordinance to provide for the trial by court-martial of foreigners for offences against the Defence of India Rules.

WHEREAS an emergency has arisen which makes it necessary to provide for the trial by court-martial of foreigners for offences against the Defence of India Rules;

Now, therefore, in exercise of the power conferred by section 72 of the Government of India Act, 1915, the Governor General is pleased to make and promulgate the following Ordinance:— 5 & 6 Geo V, c 61

ORDINANCE No. III OF 1916.

1. This Ordinance may be called the Foreigners (Trial by Court-martial) Ordinance, 1916. Short title

2. In this Ordinance—

(*a*) "British subject" has the same meaning as in section 27 of the British Nationality and Status of Aliens Act, 1914: Definitions 4 & 5 Geo V, c 17

Provided that any person who holds a certificate of naturalization as a British subject granted under any Act of the Governor General in Council for the time being in force shall, for the purposes of this Ordinance, be deemed to be a British subject.

(*b*) "Defence of India Rules" means any rules for the time being in force made under section 2 of the Defence of India (Criminal Law Amendment) Act, 1915. IV of 1915

(*c*) "Foreigner" means any person who is not a British subject

Trial of foreigners contravening rules under section 2 of the Defence of India Act, 1915

3. (*1*) The Governor General in Council may, by order in writing, direct that a foreigner accused of anything which is an offence in virtue of the Defence of India Rules shall be tried by court-martial.

(*2*) An order made under sub-section (*1*) may be made in respect of all foreigners or any particular foreigner or any class of foreigners; and in respect of all offences against the said rules or any particular offence or any class of offences.

(*3*) An order made under sub-section (*1*) may be made in respect of, or include any foreigner so accused whether such offence was committed before or after the commencement of this Ordinance.

Procedure on making of order under section 3

4. When an order under section 3 has been made in respect of, or includes any foreigner, such foreigner, when so accused, may be taken into military custody, and shall, if he is already in other custody, be handed over to military custody, and shall be proceeded against and dealt with as if he was a person subject to military law in accordance with the Army Act, and as if the offence of which he is accused was an offence against military law; and may on conviction be sentenced to, and shall be liable to suffer, any punishment assigned by the Defence of India Rules for the offence of which he is found guilty. 44 & 45 Vict., c. 58.

Procedure on trial

5. The trial and all matters precedent thereto and attendant thereon shall be held and carried out in accordance with the provisions of the Army Act and the rules for the time being in force thereunder: 44 & 45 Vict. c. 58.

Provided that the Governor General in Council may, by general or special order, modify, in such way as he may direct, any of the said provisions.

HARDINGE OF PENSHURST,
Viceroy and Governor General.

IRRIGATION DEPARTMENT.

The 4th January 1916.

No. 1 Notification.—The following draft of (*1*) revised rules and (*2*) revised schedule of rates of tolls, which the Governor in Council intends to make and fix, in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), and in supersession of Notification No. 2, dated the 31st March 1911, for the navigable channels of the Magra Hât Drainage scheme, as defined in Notification No. 4, dated the 22nd April 1913 (published at page 634, Part I, of the *Calcutta Gazette* of the 23rd *idem*), is published as required by section 12 of that Act for the information of persons likely to be affected thereby.

II. The draft will be taken into consideration on or after the 16th February 1916, and any objection or suggestion which may be received by the undersigned before that date will be duly considered.

F. A. A. COWLEY,
Secy. to the Govt. of Bengal.

DRAFT RULES.

1. Every vessel entering or making use of the Magra Hât channels shall be liable to measurement for the purpose of ascertaining the tolls payable. In case of any reasonable doubt, the persons appointed by the Governor in Council as Collectors of Tolls or Navigation Canal Officers shall have authority to again measure a vessel notwithstanding that it was measured before.

2. Vessels for the purpose of determination of maundage shall be divided into three classes as follows :—

Class I—To include all vessels of the usual native types of build known as saltees, but not *bonâ fide* Tal (or palm tree) dongas *provided they are not used for carrying cargo.*

Class II—To include all other vessels of usual native types of build or cutters *including bholios and jolly boats.*

Class III—To include all steamers,* flats, barges, and other square-built boats.

The net maundage of every vessel, whether laden or empty, shall, for the purposes of the Canals Act, 1864, and of these rules, be determined by the following measurements :—

CLASS I.

A.—The product of one-quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel multiplied by three-quarters of the depth, measured from the top of the vessel amidships to the interior bottom of the vessel is to be taken as equal to the number of maunds upon which toll shall be levied.

B.—The measurement of the length to be made in feet, rejecting inches, and of the breadth and depth in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C.—Any vessel falling under this class, the maundage of which exceeds 50 maunds according to the above method of measurement will be given the option of compounding tollage according to the rules and rates contained in Appendices A and B or paying toll per trip as laid down for vessels of Class II in Appendix B (b) : the maundage of such vessels will be determined according to the measurements laid down for Class I vessels.

CLASS II.

A.—The product of one-quarter of the length of the vessel from stem to stern measured outside and along the water-line multiplied by the greatest interior breadth of the vessel multiplied by the greatest interior depth from the water-line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which the tolls shall be levied.

* *The word "steamer" includes all types of mechanically propelled craft such as motor boats.*

B.—The measurement of the length is to be made in feet, rejecting inches, the measurement of the breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder less than a quarter of a foot.

C.—The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, rejecting any remainder of less than 12½ maunds. In the case of boats exceeding 500 maunds by measurement the maundage shall be reckoned to the nearest integral multiple of 50 maunds rejecting any remainder of less than 50 maunds.

D.—In the case of boats carrying passengers only, one foot shall be deducted from the full interior depth of the vessel, the other measurements and the calculations for maundage being made in the methods prescribed for vessels under Class II.

CLASS III.

A.—For vessels of class III, the number of maunds obtained by the system of measurement prescribed for vessels of class II shall be increased by one-half. For vessels of this class exceeding 1,000 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 100 maunds rejecting any remainder of less than 100 maunds. In the case of steamers, the maundage determined as above shall be reduced by one-third as an allowance for engine space.

B.—In the case of steamers that have been surveyed under the Inland Steam-vessels Act, 1884, the registered tonnage entered in the certificate may be accepted as the tonnage of the steamer in lieu of measurement.

3. All vessels under class I, known and defined as saltees, will be charged under a system of compounded tollage in accordance with rules contained in Appendices A *and B (except where exempted under Rule 2, Class I (C).*

Saltees if brought into the canals from outside for sale may be allowed to pass on payment of single tolls leviable for class II boats, provided that the owner applies to the Toll Collector for such single tickets.

Boats of class II not exceeding 100 maunds measured by canal maundage will be allowed the privilege of compounded tollage at the rates specified in Appendix A at the option of the Supervisor.

4. Every vessel included in classes II and III entering or passing along the canal shall be furnished with a ticket on paying the prescribed toll. The ticket shall specify the station at which it has been issued, the name of the person in charge of the vessel, the date on which the voyage commenced, the point to which the vessel may proceed on the line of navigation, the maundage of the vessel, the amount of toll charged, the number of days allowed for the voyage, and the date of such last day. The number of days so allowed without additional payment shall be calculated as follows:—

Boats.—One day for every eight miles or portion of eight miles, to be traversed together with one day for every 100 maunds of measurement or part of 100 maunds.

Floats (timber).—One day for every five miles for any number of timbers not exceeding 50, and one day for every additional 50 or part of 50.

Rafts (bamboos).—One day for every five miles for any number not exceeding 500 and one day for every additional 500 or part of 500.

5. Every vessel which does not complete its voyage within the number of days allowed by rule 4 shall, for each day or part of a day in excess, be liable to an extra charge equal to one-half of the toll payable on the maundage of the vessel as per Schedule of Rates in Appendix B, provided that in no case shall the demurrage charged exceed Rs. 5 per diem. The Superintending Engineer may, at his discretion, exempt any boats on any line of navigation, or any portion of line of navigation, from the payment required by this rule.

Exemption from payment of demurrage may, at the discretion of the Collector of Tolls, be granted for vessels detained in the channels (steamers broken down and boats damaged) by stress of weather, should immediate notice of detention, for the information of the Collector of Tolls, Magra Hat channels, be given to the nearest toll-station.

6. All tolls are payable on demand and shall be paid at the toll-station before a vessel is permitted to proceed: Provided that *the Supervisor* may, at his discretion, permit vessels belonging to individuals or firms of

recognized standing to proceed without prepayment on an undertaking that the bills for tollage due shall be liquidated monthly on presentation.

7. The ticket must be kept on board the vessel and must be produced for inspection when demanded by any person authorized to do so *and delivered on exit at the last toll-station, or at the branding station in the case of licensed sattees, when the ticket expires.* If, on demand, the ticket is not produced, such person shall assess the tollage as provided in rule 2, and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel will be liable to seizure and detention in accordance with the provisions of section 9 of the Canals Act, 1864.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the Collector of Tolls on payment of a sum of Re. 1: Provided that for tickets on which the total tollage is less than Rs. 4, the fee to be charged for a duplicate shall be one-quarter of the total tollage with a minimum of As. 4.

9. A vessel, which has been detained under these rules or under section 9 of the said Act, may not be removed from the place of detention without the order of the Collector of Tolls until the toll due has been paid. During such detention the manjhi, owner or agent must make arrangements for the safety of the vessel and cargo.

10. All vessels, whether the property of Government or of private owners, are liable for toll, except those exempted by the provisions of Bengal Government Circular No. 11, dated the 11th July 1906.

11. Vessels may be hauled up for repairs on the banks of the canals with the previous written permission of the Supervisor or Navigation Canal Officer. A rent calculated at one-sixth the rate of ordinary demurrage will be charged for the time the vessel occupies the bank.

12. At places where mooring posts have been provided by the Supervisor or Navigation Canal Officer, vessels desiring to moor shall be made fast in single line along the banks to such posts in such manner as the Supervisor or Navigation Canal Officer may direct, and shall not be moored in any other manner.

13. The Supervisor or Navigation Canal Officer may, by written notice to be posted at the toll offices, prohibit the dropping of anchors or the putting up of bamboos or *luggees* in any specified part of the canals or on the banks.

14. Vessels shall be allowed to make fast in single line along the canal banks in such manner as may be directed by the Supervisor or Navigation Canal Officer from time to time, and no boat shall be made fast to or be placed outside of boats so secured. No boat or raft shall be placed in such a position as to endanger the safety or obstruct the passage of other boats. Every vessel, when stationary, shall be securely fastened, and shall at all times have some person in attendance on board. Every vessel in motion shall have a sufficient crew.

15. Vessels passing through the canals shall keep in separate lines, empty boats keeping close to the bank, and those that are laden in the centre.

16. In portions of the canals where only one towing-path, exists, vessels shall moor on the side opposite to the towing-path, and the towing-path side shall always be kept clear.

17. Iron-built cargo-boats, with outside angle iron projecting beyond the wooden fenders, will not be allowed to enter the locks unless permanent fenders are fixed over the edges of the angle iron so as to prevent them from causing damage to the locks.

18. No fire, or open, unprotected light of any description shall be used on boats containing petroleum, jute, hay or straw in any place prohibited by the Navigation Canal Officer or Supervisor, and no fire, or open, or unprotected light (except in the case of steamers, the galley and engine room fires and the electric light) shall be used on any vessel while in a lock basin.

19. No person shall wilfully or negligently allow a vessel to sink in the canals.

20. In every case of a sunken vessel, whether due to negligence or otherwise, the Supervisor or Navigation Canal Officer and his subordinates shall offer every assistance in removing the same.

If in three days after the occurrence of a wreck it is seen that prompt measures are not being taken by the owner to remove the sunken vessel from the line of navigation, the Supervisor or Navigation Canal Officer and his subordinates shall make their own arrangements for the removal of the same at the expense of the owner, provided that, in cases where navigation is seriously obstructed, arrangements may be made at once to remove the wreck.

21. When a sunken vessel has been recovered, the Supervisor or Navigation Canal Officer shall cause notices to be posted at the locks, toll offices or other prominent places calling on those concerned to pay to the Collector of Tolls all toll or demurrage which may be due, as well as the expenses incurred in the recovery of the vessel and cargo. Should the sum due be not paid within fifteen days of the date of notice, the vessel and its furniture, or so much of it as may be necessary for the recovery of the dues, will be sold under the procedure directed in section 9 of the Canals Act, 1864.

22. The purchaser of a vessel sold under the provisions of section 9 of the said Act shall have the right to take it out of the canal on the day of purchase, or within such time as may be allowed by the Collector of Tolls, without payment of tolls.

23. When any laden vessel which has sunk has been recovered, or when any ladden vessel has been seized under the provisions of the said Act or of these rules, the Supervisor or Navigation Canal Officer shall give immediate notice of the recovery or seizure to the owner of the cargo or his agent, requiring the removal of the cargo without delay and informing him that he will be required to pay all expenses necessary for the proper custody and storage of the cargo until removed.

24. If the Supervisor or Navigation Canal Officer be unable to ascertain the name and place of business or the abode of the owner of the cargo of such vessel, the notice prescribed in rule 21 shall be effected by a notice exhibited in his office and by advertisement in at least one English and one vernacular Calcutta newspaper *as well as a local newspaper*.

25. No steam-vessel, whose length exceeds thirty feet, shall ply in the Magra Hât channels except in the following:—Diamond Harbour Creek, Usti Nainan outfall, Nazra khal, Sangrampur khal up to Sangrampur bridge, and the Surjipur outer khal up to the Surjipur bridge.

26. *Lights and signals.*—Every vessel, whether travelling or moored in the Magra Hât channels, must, between sunset and sunrise, carry a white light in a lantern on her forepart where it can be distinctly seen from all sides. All steam-vessels in motion shall carry the lights prescribed by the Board of Trade Regulations. Barges or boats attached to a steam-vessel, whether in motion or moored, shall carry the light prescribed above.

27. *Speed of vessels.*—Every vessel plying in the Magra Hât channels must, between sunset and sunrise, limit her speed to three miles per hour. No steam-vessels shall ply between sunset and sunrise in channels detailed in rule 25.

28. No vessel shall remain in the outer entrance channels of the locks at Diamond Harbour and Uttarbhag nor in the inner lock channel and diversion channel of the Diamond Harbour lock and sluice, nor in the approach channels to any sluice. A board will be put up limiting the portion of the channels in which boats are not permitted to moor.

29. The places at which boats cannot be loaded or unloaded will be fixed by the Superintending Engineer, South-Western Circle, and will be demarcated with suitable posts and notice boards.

30. For any contravention of rules 10, 14, 15, 16, 17, 19, 20, 26, 27 and 28 *and rule 9, Appendix A*, the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 for any one infringement, or Rs. 5 a day for any continuing infringement.

31. The channels may be closed, whenever necessary, for effecting the necessary repairs to them on one month's notice of the intention so to close them being given; but, in the event of any sudden emergency, the channels may be closed at any time without prior notice, and no claim in such cases by owners of vessels or others for compensation on account of detention or otherwise shall be entertained.

32. The term "Navigation Canal Officer," as used in these rules, shall include all persons appointed to collect tolls under section 8 of the Canals

Act, 1864, and all Public Works officers or subordinates in charge of the channel, not below the grade of Sub-Overseer.

33. No vessel whose beam exceeds 19 feet will be permitted to enter the channels through the Diamond Harbour lock. The same prohibition will apply in the case of the Uttarbhag lock to all vessels exceeding 14 feet beam.

34. Any vessel which enters the channels through the Diamond Harbour lock for the purpose of taking refuge during stormy weather will be charged a nominal toll of annas 8 per boat, provided that the vessel leaves the channel again as soon as the weather conditions permit, and does not load or unload cargo inside the channels. All vessels seeking refuge under this rule must anchor in the creek *between the Railway Station* and the Toll Collector's office and will not be permitted to proceed up the creek without paying the usual tolls.

35. Any vessel entering the channels through the Diamond Harbour lock and proceeding to load or unload at the Diamond Harbour Railway station only will be charged tollage at the rate of annas 2 per 100 maunds to include the return journey. *Five days' time will be allowed to such boats for the complete trip in and out of the lock.* Should such boats proceed up the creek, they will be charged the ordinary tolls.

The Toll Collector, Diamond Harbour, will issue a ticket when the boat enters the creek from the lock and will collect the same when the boat leaves the creek for the lock: if the quantity of cargo carried on exit exceeds that on entry he will charge tollage at the above rate on the excess amount only.

26. *The Superintending Engineer, South-Western Circle, may fix places where boats may remain for loading and unloading cargo without payment of demurrage.*

27. *Tolls will generally be levied at fixed toll-stations, but the Supervisor of the Canals may grant licenses anywhere within the canals, provided he is personally present.*

APPENDIX A.

Rules for licensing and registration of saltees or vessels under class I.

1. As provided for under rule 3, no vessel coming under class I, rule 2, shall ply, whether regularly or only occasionally in, or partly within and partly without the limits of, the Magra Hât channels unless licensed and registered by the Collector of Tolls of the Magra Hât channels *or exempted from such registration.*

2. Every owner of a vessel or his agent or manjhi shall *present his boat* to the Collector of Tolls, Magra Hât channels, for licensing and registration giving the owner's name and residence or those of his agent duly authorized to act for him.

3. Every license granted under these rules shall continue in force for either *three*, six or twelve months from the date of issue.

4. The license is not transferable, and if the owner or manjhi or both of the vessel be changed, notice of the transfer must be given to the Collector of Tolls, the Magra Hât channels, who will endorse the change of ownership on the certificate and register free of charge.

5. The license certificate granted for a vessel shall contain the registered number of the vessel, owner's name and residence, name of *manjhi*, the maundage measurements, amount of compounded tollage and the dates of issue and expiry and shall be kept on board. It shall be produced, when required by a Navigation Canal Officer, and shall be delivered up on the expiration of the license.

6. The charge for the issue of a duplicate license to vessels in lieu of those defaced or lost shall be Re. 1.

7. The registered number of every licensed vessel shall be engraved, or branded, as well as painted in figures easily discernible on both sides of the vessel for which a charge of Re. 1 will be made. These figures shall be legibly maintained during the period of the license.

8. On the expiration of the license, the *manjhi* shall deliver up his ticket to the Toll Collector at the station from which it was issued.

9. No person in charge of any licensed vessel plying within the limits of the Magra Hât channels shall use or have any ticket resembling those granted under the authority of these rules.

10. Every renewal of a license shall, unless the Navigation Canal Officer considers it unnecessary, involve the issue of a fresh license certificate without alteration in the registered number of the vessel.

11. Every vessel under class I, found plying in the channels without being licensed and registered, shall be charged a demurrage rate of Rs. 3 for every such offence, provided that such vessel is not proceeding to the nearest toll-station for the purpose of obtaining a license and being registered. *The fine of Rs. 3 shall be in addition to the usual charge for licensing.*

Rules 32 and 33 of the Indian Mines Act, 1901, require that a candidate for a first class certificate must be at least 23 years of age, and have had at least five years' practical experience in a coal mine, and for a second class certificate be at least 21 years of age, and have at least three years' practical experience in a coal mine. The periods of practical experience may be reduced to three years and one year, respectively, in the case of a candidate who has received a diploma in scientific and mining subjects, after a course of study of at least two years at an educational institution approved in this behalf by the Governor-General in Council, or who has taken a degree in scientific and mining subjects at a University approved in this behalf by the Governor-General in Council.

The fees are Rs. 15 in the case of first class certificates and Rs. 8 in the case of second class certificates. By rule 34 of Government of India (Department of Commerce and Industry) Notification No. 2968—82, dated the 21st April 1906, "these fees shall be paid not less than one month prior to the date of the examination to the Chief Inspector of Mines, at his office." The fees may be remitted by money-order or paid in any other manner.

Applications and fees should be addressed to the Chief Inspector of Mines in India, Dhanbad, East Indian Railway, and not to any officer by name. No candidate will be permitted to sit at the examination unless his application is received on or before the 3rd February 1916.

G. F. ADAMS,
Chief Inspector of Mines in India.

Offg. Chief Secy. to the Govt. of Bengal.

NOTIFICATION.

Delhi, the 26th January, 1916.

An Ordinance to provide for the trial by court-martial of foreigners for offences against the Defence of India Rules.

WHEREAS an emergency has arisen which makes it necessary to provide for the trial by court-martial of foreigners for offences against the Defence of India Rules;

Now, therefore, in exercise of the power conferred by section 72 of the Government of India Act, 1915, the Governor General is pleased to make and promulgate the following Ordinance:— 5 & 6 Geo. V, c 61

ORDINANCE No. III OF 1916.

1. This Ordinance may be called the Foreigners (Trial by Court-martial) Ordinance, 1916.
Short title

2. In this Ordinance—

(*a*) "British subject" has the same meaning as in section 27 of the British Nationality and Status of Aliens Act, 1914: 4 & 5 Geo V, c 17
Definitions

Provided that any person who holds a certificate of naturalization as a British subject granted under any Act of the Governor General in Council for the time being in force shall, for the purposes of this Ordinance, be deemed to be a British subject.

(*b*) "Defence of India Rules" means any rules for the time being in force made under section 2 of the Defence of India (Criminal Law Amendment) Act, 1915. IV of 1915

(*c*) "Foreigner" means any person who is not a British subject

3. (*1*) The Governor General in Council may, by order in writing, direct that a foreigner accused of anything which is an offence in virtue of the Defence of India Rules shall be tried by court-martial.
Trial of foreigners contravening rules under section 2 of the Defence of India Act, 1915

(2) An order made under sub-section (1) may be made in respect of all foreigners or any particular foreigner or any class of foreigners; and in respect of all offences against the said rules or any particular offence or any class of offences.

(3) An order made under sub-section (1) may be made in respect of, or include, any foreigner so accused, whether such offence was committed before or after the commencement of this Ordinance.

Procedure on making of order under section 3

4. When an order under section 3 has been made in respect of, or includes, any foreigner, such foreigner, when so accused, may be taken into military custody, and shall, if he is already in other custody, be handed over to military custody, and shall be proceeded against and dealt with as if he was a person subject to military law in accordance with the Army Act, and as if the offence of which he is accused was an offence against military law; and may on conviction be sentenced to, and shall be liable to suffer, any punishment assigned by the Defence of India Rules for the offence of which he is found guilty.

44 & 45 Vict, c. 58.

Procedure on trial

5. The trial and all matters precedent thereto and attendant thereon shall be held and carried out in accordance with the provisions of the Army Act and the rules for the time being in force thereunder:

44 & 45 Vict, c. 58

Provided that the Governor General in Council may, by general or special order, modify, in such way as he may direct, any of the said provisions.

Orders by the Governor of Bengal in Council.

MUNICIPAL AND LOCAL.

NOTIFICATIONS.

No. 286M.—The 27th January 1916.—The following draft of an order which the Governor in Council intends to make under clause (*b*) of section 9 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on or after the 15th March 1916, and any objection or suggestion which may be received by the undersigned through the District Magistrate before that date will be duly considered.

Draft Order.

Chittagong.

In exercise of the power conferred by clause (*b*) of section 9 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), and on the recommendation of the Commissioners of the Chittagong Municipality, in the district of Chittagong, made at a meeting, the Governor in Council is pleased to exclude from the municipal limits of the said Municipality the area the boundaries of which are specified below:—

North—A line drawn east in continuation of Abdulla Khan Lane.

South—A line drawn perpendicularly east and west through a point 100 feet north of Korbaniganj foot-bridge.

East—The line 250 feet east from high-water mark measured from the east bank of the Chaktai khal.

West—High flood-water mark of the east bank of the Chaktai khal.

II. The boundaries of the Chittagong Municipality, after excluding the said area, will hereafter be as follows, namely:—

North—Tippera pass road, Golpahar road, Katalganj road and Shaikh Abdul Khan's Lane, including an extended line of the last-mentioned road in a due east direction to high flood-water mark of the east bank of the Chaktai khal.

East—High flood-water mark of the east bank of the Chaktai khal to a point 100 feet north of the Korbaniganj foot-bridge from where the line is 250 feet east from high-water mark measured from the east bank of the Chaktai khal.

South—The Karnafuli river.

West—A line drawn along the base of the Nasirabad, Dobraghat and Khoolshi Hills and thence to the Karnafuli river, passing to the west of Dewan's Hat and east of the villages of Charia and Gosaildanga.

No. 301M.—The 27th January 1916.—The following draft of amendments which the Governor in Council proposes to make under section 86 of the Calcutta Improvement Act, 1911 (Bengal Act V of 1911), in the rules promulgated with Notifications No. 1735M., dated the 23rd December 1911, and No. 1767M., dated the 25th June 1914, for carrying out the purposes of section 82 of that Act in the Presidency of Fort William in Bengal is published for the information of persons likely to be affected thereby.

Calcutta.

The draft will be taken into consideration on the 4th March 1916, and any objection or suggestion received by the undersigned before that date will be duly considered :—

In rule 1 *after* the words "instruments of sale" *insert* the words and brackets—

"(including certificates of sale)."

To rule 4 *add* a new clause (*2*), viz.—

(*2*) Every registering officer in Bengal, who receives and files in his Book No. I, under section 89 of the Indian Registration Act, 1908, copies of certificates of sale granted by Civil Courts and Revenue officers, shall keep a similar account of the stamp duties noted on the copies as paid under the Indian Stamp Act, 1899, and the Calcutta Improvement Act, 1911, separately.

In rule 4 *renumber* existing clause (*2*) as clause "(*3*)," and *for* the words "The said accounts" *substitute* the words "The accounts referred to in sub-rule (*1*) and sub-rule (*2*)."

No. 275M.—The 26th January 1916.—The following draft of rules which, in exercise of the power conferred by section 290 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), the Governor in Council proposes to make, and subject to which the Commissioners of the Chittagong Municipality may allow communication-pipes to be laid down from the service-pipes of the Commissioners for the purpose of leading water to premises for domestic purposes only, are published for the information of persons likely to be affected thereby.

Chittagong.

II. The draft rules will be taken into consideration on the 15th March 1916, and any objection or suggestion which may be received by the undersigned through the District Magistrate before that date will be duly considered.

Rules for the grant to private premises of house-connections for domestic purposes in the Chittagong Municipality.

So long as the Commissioners deem it practicable and consistent with the maintenance of an efficient water-supply, they may allow the owner or occupier of any holding paying a water-rate imposed under the provisions of Part VII of the Bengal Municipal Act, 1884, on the annual value of such holding, when such annual value is not less than Rs. 60 or such higher amount as may be fixed from time to time by the Commissioners at a meeting, to lay communication-pipes from the service-pipes of the Commissioners for the purpose of leading water to such holding for domestic purposes only, subject to the following rules and conditions :—

1. The owner or occupier of any holding requiring water to be laid on to such holding for domestic purposes, or requiring any addition or alteration to an existing water-supply, must apply for the same on a printed form to be supplied free of cost at the Municipal office ; and work must be commenced within three months from the date of sanction, failing which the sanction shall be deemed to be withdrawn, and a fresh application and sanction shall be required.

2. Before any work is commenced every such owner or occupier must pay to the Commissioners a sum of Rs. 50 to cover the cost of testing and inspection, or such higher fee as the Commissioners in meeting may from time to time direct, under section 301 of the Act, for each new connection, and also a fee of Rs. 5 per 100 rupees on the cost of each addition to, or alteration in, an existing connection, such fees to be in addition to all other costs and charges imposed under these rules.

3. The work required may, at the option of the Commissioners, either be carried out by the Commissioners themselves at the expense of the owner or occupier of the holding in respect of which the work is required, or may be carried out by a person or firm employed by such owner or occupier and approved by the Commissioners.

4. (*1*) The owner or occupier of the holding in respect of which the connection is required must bear the entire cost thereof, including the cost of the supply and fixing of the fittings referred to in rule 9.

(*2*) The applicant for the connection will also be liable for the cost of such alterations in, or repairs to, roads, drains, sewers, gas or water-mains, or pipes, and the cost of such other works as may be necessitated by, or result from, the work of making such connection, and also all charges for which the Commissioners may become liable in respect of any of the matters referred to in this sub-rule.

5. The owner or occupier of the holding to which a connection has been given must at any time, on receipt of notice to do so from the Commissioners, pay the entire cost of any repairs or alterations to the connection or any part thereof that the Commissioners may consider necessary to put it into a satisfactory condition or which may be necessitated by any change to the municipal water-works or system of distribution, or by the defective condition of the connection or any part thereof, or by any other cause whatever.

6. Except as provided below, each holding must have a separate connection to the municipal main supply-pipe, and extensions from the communication-pipe of one holding to another holding shall not be permitted :

Provided that, with the consent of the Commissioners in meeting, connections to two or more holdings may be permitted from a common communication-pipe. Any such communication-pipe must be laid in a street or common passage, and a stop-cock and meter, as provided for in rule 9 hereof, must be fixed on the connection to each holding;

Provided also that no holding shall have more than one separate connection, but if in any case the Commissioners are satisfied that an adequate supply to any holding cannot be given through a single connection, they may sanction a second connection thereto.

7. Every connection with municipal water-mains must be made under the supervision of an officer appointed by the Commissioners in this behalf, and no such connection shall be made except at such time as may be appointed and in such position as may be selected by an authorized Municipal officer.

8. No connection shall be allowed to the rising main except with the permission of the Commissioners at a meeting.

9. A holding connection shall comprise the following parts or fittings:—

(*a*) a brass or gunmetal ferrule inserted in the main supply-pipe;

(*b*) a galvanized-iron communication-pipe from the ferrule to the meter;

(*c*) a stop-cock and its surface-box;

(*d*) a meter;

(*e*) service-pipes from the stop-cock to the taps; and

(*f*) taps.

10. All the fittings referred to in rule 9 shall be exact duplicates of standard samples kept in the office of the Commissioners and approved by them in meeting.

11. All fittings shall be inspected and tested and stamped by an officer of the Municipality before being fixed.

12. If any owner or occupier shall desire to adopt any fitting of a pattern different from the standard patterns, he must present such fitting for the approval of the Chairman; and any fittings so presented may, if considered satisfactory by the Chairman, be stamped, and samples thereof may be purchased and placed among the standard fittings.

13. The size of the ferrule and the diameter of the communication-pipe referred to in clauses (*a*) and (*b*) of rule 9 and the number of taps should be fixed in accordance with the annual valuation of holdings as follows:—

Annual valuation of holding.	Size of ferrule.	Diameter of communication-pipe.	Number of taps.
Under Rs. 200	¼″	½″	2
From Rs. 200 to 499 ...	⅜″	⅝″	3
„ Rs. 500 to 799	½″	¾″	4
„ Rs. 800 to 1,199 ...	⅝″	⅞″	5
„ Rs. 1,200 to 1,999 ...	⅝″	⅞″	6
„ Rs. 2,000 to 3,000 ...	¾″	1″	7

Over Rs. 3,000 one additional tap for every additional Rs. 1,000 in the annual valuation of the holding:

Provided that though the communication-pipe shall not ordinarily be more than ¼″ larger in diameter than the ferrule, yet the Engineer may, under special circumstances, fix the sizes of the communication-pipe with reference to the length of the pipe and the prevailing pressure.

14. The holding connection, when fitted in position, must be capable of standing a pressure of 125 feet; and no water shall be supplied until this test has been applied in the presence of an officer appointed by the Commissioners to inspect such fittings.

15. (*a*) On every communication-pipe, a brass or gunmetal stop-cock, having the same waterway as such pipe, shall be placed as near as practicable to the point where that pipe enters the holding.

(*b*) The stop-cock shall be built in a brick chamber provided with a surfacecover box so designed that it can be locked, and the key of this box shall remain under the control of the Chairman.

(*c*) The stop-cock shall be capable of adjustment so that the supply to the holding may be regulated thereby.

16. (*a*) The meter shall be placed as near to the stop-cock as possible and in a position where it can be conveniently examined.

(*b*) The meter must be fixed in a brick chamber covered over with a surface-box of approved pattern.

17. Neither the stop-cock nor the meter must be placed in any private premises.

18. The Commissioners shall depute an authorized person to read every meter not less than once a quarter, and shall give notice to the occupier at least twenty-four hours before the reading is recorded.

19. Every tap shall be of the same size as the pipe to which it is attached, and shall be of brass and of the pattern known as screw-down, or of such other pattern as may from time to time be approved by the Commissioners at a meeting. Every tap shall, except with the special permission of the Commissioners, be at least three feet above the surface of the ground beneath.

20. No communication-pipe or service-pipe shall be laid along or adjacent to any drain or watercourse, or in any place where, in the opinion of the Engineer, there is risk or likelihood of the water in such pipe becoming contaminated.

21. Whenever a communication-pipe has to be laid across a sewer or open drain, or in any place where, in the opinion of the Engineer, it is liable to injury, such pipe must be passed through a cast-iron pipe of sufficient length and strength to afford due protection.

22. No cistern, tank or reservoir of any description, which is intended to be supplied with water from the municipal waterworks, shall be permitted to any holding except with the sanction of the Commissioners in meeting, and such sanction shall distinctly specify the dimensions and capacity of the cistern, tank or reservoir allowed. The inlet to every such cistern, tank or reservoir must be controlled by an efficient ball-cock so that the discharge thereinto is completely stopped when the cistern, tank or reservoir is full Any tap fed from such cistern, tank or reservoir must be included in the number of taps allowed under rule 13.

23. (*1*) Every owner or occupier of any holding in respect of which a connection has been made under these rules shall be entitled to a supply of—

(*a*) three thousand gallons of water per quarter for each rupee, and

(*b*) a further proportionate number of gallons per quarter for every additional fraction of a rupee,

paid by him quarterly as water-rate in respect of such holding.

(*2*) For all water in excess of the amount allowed under sub-rule (*1*) such owner or occupier shall be charged quarterly as follows :—

	Per 1,000 gallons
	As.
For any excess quantity of water not exceeding 50 per cent. of the amount of the allowance prescribed in sub-rule (*1*)	8
For any excess quantity of water exceeding 50 per cent. of the amount of the allowance prescribed in sub-rule (*1*), but not exceeding that amount ...	12
For any excess quantity of water exceeding the amount of the allowance prescribed in sub-rule (*1*) ...	16

24. The Commissioners may cut off the connection between any waterworks of the Municipality and any holding to which water is supplied from such works, or may turn off such supply in any of the following cases, namely :—

(*a*) If the holding is unoccupied.

(*b*) If the occupier refuses to admit any officer duly empowered in that behalf into the holding for the purpose of making any examination or inspection authorized under this Act, or under any bye-law or rule framed under this Act, or prevents such officer from making such examination or inspection.

(*c*) If the owner or occupier of the holding touches or interferes with his meter in any way except with the permission of the Chairman, or wilfully or negligently injures or damages it.

(*d*) If the owner or occupier of the holding wilfully or negligently permits waste of water in such volume as will, in the opinion of the Chairman, endanger the water-supply in the neighbourhood.

(*e*) If the owner or occupier of any holding which is supplied with water under these rules shall refuse or neglect to pay any of the fees or charges imposed in accordance with these rules for a space of fourteen days after he has been served with a notice of demand for the same.

(*f*) If the owner or occupier of the holding constructs or fixes any cistern, tank, reservoir, taps, pipes or any other works in connection with the water-supply not authorized by these rules.

(*g*) If the pipes, taps, ball-cocks, cisterns, or any other parts of the connection are, in the opinion of the Commissioners, in a leaking condition or a state of disrepair:

Provided that such disconnection or turning off of water-supply shall not relieve any person from any liabilities which he may have incurred under these rules.

In the circumstances contemplated in clause (*d*), an officer authorized by the Commissioners in this behalf by a general order shall have the power to turn off the supply for a period not exceeding eight hours, on his previously recording his reason in writing.

25. In all cases in which disputes arise as to the size or quality of pipes or fittings, or in which these rules do not apply, an appeal against the orders of the Chairman or Engineer, as the case may be, shall lie to the Commissioners in meeting, whose decision shall be final, provided that no appeal shall lie against an order passed under rule 24, unless and until such order has been complied with.

26. No connection shall be allowed to any holding unless the Engineer is satisfied that such holding is provided with means of efficient drainage for waste water.

The Chairman shall, in any manner he may think most convenient, from time to time, deduct from any sum payable by the Corporation to any subscriber, whether by way of salary or otherwise, such sum as may be required to pay any subscription due from him or any arrears of subscription owing by him to the Fund, and shall, from time to time, pay over to the *Manager* all sums so deducted by him.

7. The compulsory subscriptions of any subscriber absent on leave or furlough shall, during the period of such absence, be assessed on the salary allowed during such absence but any such subscriber shall, if desired by at liberty to subscribe on the full amount of his salary, provided notice in writing of such desire shall have been given by him to the Chairman prior to the due date for payment of salary next after such subscriber shall have obtained leave or furlough.

8. *Voluntary subscriptions shall be paid direct to the Manager by the subscriber, or at the request of the subscriber, be deducted from the pay bill of the subscriber and remitted to the Manager. The Manager, shall forthwith credit each subscriber with the amounts of his subscriptions compulsory and voluntary, if any.*

9. For and in respect of each complete year ending with 31st day of *March* the Corporation shall, as soon after that date as may be practicable, contribute to the Fund a sum equal to the aggregate amount of the compulsory subscriptions for such year, and shall pay the same to the *Manager.*

Provided always that it shall be lawful for the Corporation, in case of the death or *cessation* of the service of a *subscriber as hereinafter provided in rules 19 and 22* at any time before the *31st March* in any *financial* year, to contribute to the Fund a sum equal to the aggregate amount of the compulsory subscriptions paid by *such subscriber* for the portion of that year.

10. The *Manager* shall, from time to time, pay into the Bank of Bengal at Calcutta, or any other Bank at Calcutta sanctioned by the General Committee to the credit of an account to be styled "*the Corporation of Calcutta Provident Fund Account*" all moneys received by the *Manager* after *retaining only a sufficient amount to meet ordinary establishment expenses.* All moneys to the credit of such account shall be dealt with only in accordance with these Rules and Regulations, and all or any portion of such moneys shall be withdrawn from such account only by cheques bearing the signatures of two Trustees in addition to the signature of the Manager.

11. All moneys not immediately required for the purposes of the Fund shall, from time to time, be invested by the Trustees at their discretion in any of the following Securities, that is to say, any of the Rupee or Sterling Securities of the Government of India, or any Securities the interest on which is or shall be guaranteed by the Government of India, or in the Bonds, Debentures or Securities of, or issued by, any

Public, Municipal or Local Body or authority in India or in the fully paid up stock or shares of any of the Presidency Banks in India, or in deposit in any Bank in Calcutta approved by the General Committee, either by way of loans on short notice or fixed for a term, with power for the Trustees, at their discretion from time to time, to vary or transpose such investments into or for others of any nature hereinbefore authorised.

12. *All investments shall be made in the* name of the "*the Corporation of Calcutta Provident Fund Account*" *and such investments or securities belonging to the Fund may be sold, negotiated, transferred, mortgaged or otherwise dealt with under the signatures of the Chairman for the time being of the Corporation and another Trustee for the time being of the said Fund.*

13. The Trustees shall, from time to time, upon the written requisition of the *Manager*, pay to *him* such sum or sums as may be required for the purposes of these Rules and Regulations, and shall, if necessary, raise the money required for the same by *sale of or by raising a loan on the whole or a sufficient portion of the securities held by them, as they may think fit.*

14. On the 31st day of *March* in each year the *Manager shall credit the account of each subscriber contributing compulsory subscription with the equivalent of his compulsory subscription for the preceding year out of the Corporation contribution under rule 9 and also his share of any moneys forfeited or lapsed to the Fund in proportion to the amount standing to his credit in respect of his compulsory subscription for the year, and thereafter the Manager shall deduct the expense of management from the interest accrued on securities and on all other moneys belonging to the Fund and having ascertained the amount available for division among the subscribers (compulsory and voluntary) shall provisionally credit the account of each subscriber contributing compulsory subscription with his share thereof in proportion to the amount standing to his credit without taking into account his share of the Corporation contribution for the year as also his share of any sum forfeited or lapsed for the year, and shall also credit the account of each subscriber contributing voluntary subscription with his share thereof in proportion to the amount standing to his credit in respect of his voluntary subscription :*

Provided that in the case of the *cessation* of the service or death of any *subscriber* at any time before the *31st March* in any *financial* year it shall be lawful for the General Committee, if they think fit, to authorise the *Manager to make up the account of the said subscriber before the close of the year by crediting it with a sum equal to the aggregate amount of the compulsory subscription paid by him during the portion of the said year.*

15. *For the purpose of proper adjustment of the account of each subscriber the value of the securities purchased prior to the 1st January, 1915, shall be deemed to be the value thereof entered in the books of the Fund on the 31st December, 1914, and the value of any securities purchased since that date shall be taken at the actual purchase price thereof, irrespective of the fluctuations in the market price thereof and in case of any sale or transfer of any securities or other dealing therewith during the year (at any profit or loss), the Manager shall (after providing for the debts and ascertained liabilities paid or incurred) credit or debit, as the case may be, the account of each subscriber with his share of such profit or loss in proportion to the amount at his credit on the 31st March.*

16. A statement of account of each subscriber shall be made up to the 31st March of each year, and each subscriber shall be required to certify in writing within a month upon such account that the amount therein shown, as standing to his credit, is correct, or in default shall be precluded from challenging its correctness.

The next annual account of the Provident Fund for 1915-16 *shall be made out in terms of these Rules on the 31st March, 1916 instead of on the 31st December, 1915.*

17. Except as is by these Rules and Regulations expressly provided a subscriber or any person or persons acting on his behalf, in respect of his interest in the Fund, shall not be entitled to claim any payment of money to him or them.

18. *Any subscriber contributing voluntary subscription may withdraw the whole or part of the voluntary subscription to his credit by written application to the Manager therefor and the Manager shall pay the same within a fortnight from the date of receiving such application.*

Provided always that no subscriber shall be entitled to apply for such payment more than once in any one year unless his service in the Corporation ceases in the same year.

Provided also that such subscriber may pay back into the Fund the whole or any portion of the sum so withdrawn by twelve equal consecutive monthly instalments.

19. On the death of any subscriber the *Manager* shall pay to his Representatives, Executors or Administrators the amount standing to his credit *in the account prepared in accordance with the provisions of rule 14.*

20. On the voluntary resignation or *voluntary* retirement of any subscriber from the service of the Corporation *or in case the services of any subscriber be dispensed with* * * * *the Manager* shall pay to him the aggregate amount subscribed by him to the Fund and the amount (if any) standing to his credit for interest, *and if any such resignation or retirement of a subscriber takes place after a service of ten years the Manager shall pay to such subscriber a further sum equivalent to half the total amount of the Corporation contribution on account of the compulsory subscriptions of such subscriber last credited to his account, under rule 14. Provided nevertheless that the General Committee may, in their absolute discretion, direct the Manager to pay any subscriber retiring or resigning irrespective of the period of his service, the whole or such portion of the balance to the credit of such subscriber on the 31st March previous to his resignation or retirement as they may think fit, and the Manager shall forthwith pay such amount to such subscriber.*

21. No subscriber shall, until he ceases altogether to be in the service of the Corporation, be entitled to the payment of the whole or any part of the Fund to his credit, save and except voluntary contribution payable to him under rule 18.

For the purposes of this rule a subscriber does not cease to be in the service of the Corporation as long as there is no break or interruption in his service, although during the continuance of such service he may hold different appointments under the Corporation for different periods or serve under different agreements for specified periods.

22. In case of any subscriber becoming permanently incapacitated owing to injury sustained whilst in the service of the Corporation, or in case of the resignation or retirement, with the previous written sanction of the *authority by whom he was appointed*, of any subscriber owing to illness, old age, or any other reason considered adequate by the General Committee, * * * * * the *Manager* shall (subject to the provisions of these Rules) pay to such incapacitated, resigning or retiring subscriber, the amount standing to his credit in the account prepared in accordance with the provisions of rule 14.

23. If any subscriber shall be dismissed from the service of the Corporation or compelled to retire otherwise than by reason of illness, old age or other incapacity or the abolition of his appointment the *Manager* shall (subject to these Rules) pay to him only the aggregate amount subscribed by him to the Fund, without interest, and the balance, if any, of all moneys then standing to his credit in the books of the Fund shall (subject as aforesaid), upon such dismissal or compulsory retirement be forfeited to the use of the Fund and shall be dealt with accordingly. Provided also that the *Manager* may, at any time, with the consent of the General Committee pay to any such subscriber the amount to which he would have been entitled under rule 20 if he had voluntarily retired from the service of the Corporation and had not been dismissed

24. The Corporation shall have a first and paramount charge upon the amount, from time to time standing to the credit of each subscriber, and upon all other moneys of the Fund in or to which he may be interested or entitled, for and in respect of all losses, damages, costs and expenses which the Corporation may at any time pay, sustain, or be put to, by reason of any act of embezzlement, or default, of or by such subscriber, and the amount from time to time standing to the credit of each subscriber, and all such other moneys as aforesaid, shall be deemed and treated as a deposit made by him with the Corporation as security for his fidelity, and be dealt with accordingly, and in the event of any claim arising by the Corporation against any subscriber under this rule the same shall be paid *unless otherwise satisfied by the subscriber*, by the *Manager to the Corporation by and under the direction of the General Committee in that behalf out of the amount for the time being to the credit of such subscriber or other amount which may accrue to his credit thereafter and such subscriber shall absolutely forfeit all rights and interest in the amount to be so paid as aforesaid.*

25 In all cases wherein a certificate shall be required of the amount of the balance standing in the books of the Fund to the credit of a deceased subscriber for any purpose, such certificate shall be in the following form :—

LAND SALE NOTICES.

Advertisement of Sale.

NOTICE is hereby given that the undermentioned plots of land, no longer required by Government, situated along the Bengal-Nagpur Railway, in the district of Midnapore, will be put up to sale at one o'clock on Thursday, the 16th March 1916, corresponding with the 3rd Chaitra 1323 Amli at Dhenga, pargana Kedarkundu.

The purchasers of the several plots of land will be subject to the following conditions :—

1st.—The purchasers will have no power to make any excavations on the land nearer than fifteen feet from the railway boundary, or to plough the land nearer than three feet from the same.

2nd.—If the amount of purchase-money does not exceed Rs. 100, the whole amount must be paid down at once.

3rd.—If the amount of purchase-money exceed Rs. 100, one-fourth of the amount must be immediately deposited. If the balance be not paid by noon of the fifteenth day after the sale, reckoning the day of sale as one, or if that day be a close holiday, then by noon of the first succeeding office day, the sale shall be cancelled, the sum deposited being forfeited to Government, and the lot again put up for sale at the risk of the defaulting purchaser, after issue of advertisement, as in the case of original sale.

4th.—The plots of land will be sold revenue-free to the highest bidders subject to an upset price.

5th.—The sale will become final on receipt by the Collector of the orders of the Commissioner confirming it and a regular deed of conveyance will then be granted to the purchaser.

PART V.

Acts of the Governor General's Council assented to by the Governor General.

GOVERNMENT OF INDIA

LEGISLATIVE DEPARTMENT.

NOTIFICATION.

Delhi, the 19th January, 1916.

An Ordinance to take power to prevent the clearance for home consumption, whether from a ship or from a warehouse, of dutiable goods, the demand for which is excessive having regard to the ordinary course of such transactions, and to take power to limit or restrict the clearance or removal of salt from salt works.

WHEREAS an emergency has arisen which makes it necessary to take power to prevent the clearance for home consumption, whether from a ship or from a warehouse, of dutiable goods, the demand for which is excessive having regard to the ordinary course of such transactions, and to take power to limit or restrict the clearance or removal of salt from salt works;

Now, therefore, in exercise of the power conferred by section 72 of the Government of India Act, 1915, the Governor General is pleased to make and promulgate the following Ordinance:— 5 & 6 Geo. 5, c. 61

ORDINANCE No. II OF 1916.

1. This Ordinance may be called the Dutiable Goods and Salt Ordinance, 1916. Short title.

2. All words and expressions used in section 3 of this Ordinance and defined in the Sea Customs Act, 1878, shall be deemed to have the meanings respectively attributed to them by that Act. Definitions. VIII of 1878.

"Salt work" means any place where salt is kept and issued subject to the control of Government.

3. If, in the opinion of the Governor General in Council, such a course is desirable in the public interest, the Governor General in Council may, notwithstanding anything to the contrary in the Sea Customs Act, 1878, or any other law for the time being in force, by order in writing, authorise Chief Customs Officers or any Chief Customs Officer to refuse to allow clearance for home consumption, whether from a ship or from a warehouse, on payment of duty of any dutiable goods, where, in the opinion of the Chief Customs Officer, the demand for clearance of such goods is excessive having regard to the ordinary course of such transactions. Power to Governor General in Council to authorise by order Chief Customs Officers to refuse excessive clearances. VIII of 1878.

4. The Governor General in Council may, in like circumstances to those referred to in section 3, and notwithstanding anything to the contrary in any Act relating to salt revenue or any other law for the time being in force, by order in writing, authorise any person having control, on behalf of Government, over salt works, to limit or restrict in such way as such person thinks fit, the clearance or removal of salt therefrom, notwithstanding that all sums due or leviable in respect of such salt have been paid. Power to restrict clearances or removals of salt from salt works.

5. No Court shall call into question any order made under this Ordinance, and no suit, prosecution or other legal proceeding shall lie against any person for anything which is in good faith done, or intended to be done, under this Ordinance or any order made thereunder. Barring of jurisdiction of Courts.

PART VI.

Bills introduced into the Council of the Governor General for making Laws and Regulations, or published under Rule 23.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

Delhi, the 20th January 1916.

No. 2.—The Governor General has been pleased, under Rule No. 23 of the Rules for the Conduct of the Legislative Business of the Council of the Governor General, to order the publication in the Gazette of India and in the local official Gazettes in English, of the following Bill, together with the Statement of Objects and Reasons relating thereto, and the Bill and Statement of Objects and Reasons are accordingly hereby published for general information

BILL NO. I OF 1916.

A Bill to enable Hindus and Mussalmans to make dispositions of property by transfer inter vivos *or by will for the benefit of unborn persons.*

WHEREAS it is expedient to enable Hindus and Mussalmans to make dispositions of property to the extent to which it is allowed in cases governed by the provisions of the Indian Succession Act, 1865 (sections 100, 101, 102 and 103) and the Transfer of Property Act, 1882 (sections 13, 14, 15 and 16); It is hereby enacted as follows :—

X of 1865

IV of 1882

1. (*i*) This Act may be called the Hindu and Mussalman Disposition of Property Act, 191 ;

Short title and extent.

(*ii*) It extends to the whole of British India.

2. In this Act, unless there is anything repugnant in the subject or context,—

Definitions.

(*a*) "disposition of property" includes disposition by transfer *inter vivos* as well as disposition by will ;

(*b*) "unborn person" means, with reference to a transfer, a person not in existence at the date of the transfer, and with reference to a bequest, a person not in existence at the time of the testator's death.

3. From and after the date on which this Act shall come into force, it shall be lawful for Hindus and Mussalmans to make dispositions of property for the benefit of unborn persons, subject to the limitations hereinafter contained.

Dispositions for the benefit of unborn persons.

4. Where a disposition of property is made for the benefit of an unborn person subject to a prior disposition thereof, the disposition for the benefit of the unborn person shall not take effect, unless it extends to the whole of the remaining interest of the transferor or of the testator in the property.

Extent of such dispositions.

Act X, 1865, s. 100; Act IV, 1882, s. 13.

Act X, 1865, s. 101; Act IV, 1882, s. 14.

Rule against perpetuity.

5. No disposition of property can operate to create an interest which is to take effect after the lifetime of one or more persons living at the date of the transfer or of the testator's death, and the minority of some person who shall be in existence at the expiration of that period, and to whom, if he attains full age, the interest created is to belong.

Act X, 1865, s. 102; Act IV, 1882, s. 15.

Dispositions in favour of a class.

6. If a disposition of property is made to a class of persons, with regard to some of whom it is inoperative by reason of any of the rules contained in sections 4 and 5, such disposition fails as regards the whole class.

Act X, 1865, s. 103, Act IV 1882, s. 15.

Failure of prior disposition.

7. Where a disposition of property fails by reason of any of the rules contained in sections 4, 5 and 6, any disposition intended to take effect after, or upon failure of, such prior disposition also fails.

Saving of enactments.

8. Nothing herein contained shall affect the provisions of any enactment for the time being in force in British India and applicable to Hindus or Mussalmans.

STATEMENT OF OBJECTS AND REASONS.

THE object of the present Bill is to enable Hindus and Mussalmans to dispose of property by transfer *inter vivos* and by will for the benefit of unborn persons within certain limits. According to the Hindu Law as now administered in British India, a gift in favour of a person not in existence at the date of the gift is void: and so also a bequest in favour of a person not in existence at the time of the testator's death. The same is the rule of Mahomedan Law, except that, under the provisions of the Mussalmans Wakf Validating Act, 1913, it is competent to a Mahomedan to settle property for the benefit of unborn persons even in perpetuity, provided the ultimate disposition is for the benefit of charity.

2. Every lawyer familiar with the Indian Courts must have come across a large number of settlements and wills made by Hindus and Mahomedans for the benefit of their children and grandchildren. The paramount object of the settlor in all these cases has been to provide not only for his children and grandchildren then in existence, but also for those to be born hereafter. Instead, however, of giving effect to the settlor's intention, the law as now administered completely defeats it. Even where a donor has only one child in existence at the date of the gift, and the gift is made in express terms for the benefit of all his children including those to be born hereafter, the law excludes from the benefit of the gift all children born subsequently to the date of the gift, to the entire subversion of the donor's intention. Similarly, the intention of testators to benefit by their wills their children and grandchildren not in existence at the death of the testators is also defeated. It is to remedy these evils, and to give effect to the settlor's or testator's intention, that the present Bill is proposed. The sole object of the Bill is to enable the Court to carry out the settlor's or testator's intention, which, under the present state of the law, they are precluded from doing. At the same time, it is recognised that this can only be done within the limits allowed by the rule against perpetuity, and these limits are prescribed in clauses 4 and 5. The effect of the Bill, if passed into law, will be to enable Hindus and Mahomedans to make dispositions of their property to the same extent, and subject to the same limitations as other communities in British India.

NOTES ON CLAUSES.

Clause 4.—This clause is a reproduction of section 100 of Act X of 1865, and section 13 of Act IV of 1882.

Clause 5.—This clause is a reproduction of section 101 of Act X of 1865, and section 14 of Act IV of 1882. It refers to the rule against perpetuity.

Clause 6.—The effect of this clause is to supersede the decision in L. R. 11 I. A. 164, and other cases following it.

Clause 7.—This clause is a reproduction of section 103 of Act X of 1865, and section 15 of Act IV of 1882. It is also in conformity with the rule of construction laid down by the Privy Council in the Tagore Case.

Clause 8.—The enactments referred to in this clause are the Hindu Wills Act, 1870, the Transfer of Property Act, 1882, and the Indian Trusts Act, 1882.

NOTIFICATION.

No. 756A.—The 5th February 1916.—The following revised rules for the appointment of Deputy Superintendents of Police are published for general information, in supersession of the rules published under Notification No. 2489A., dated the 23rd May 1911 :—

Rules for the appointment of Deputy Superintendents of Police.

1. Deputy Superintendents of Police are recruited (*a*) partly by promotion from amongst Inspectors of Police and (*b*) partly by the direct appointment of qualified persons, including officers already in Government service in other departments, in such order as to secure that half of the total number of appointments will be held by each class.

2. Deputy Superintendents of Police are divided into four grades on Rs. 250, Rs. 300, Rs. 400 and Rs. 500 a month.

3. The promotion of Inspectors to the rank of Deputy Superintendent shall be made by Government on the recommendation of the Inspector-General. European Inspectors are eligible for promotion to the rank of Deputy Superintendent, provided they can show to the satisfaction of the Government of India that they have adopted an Indian domicile, and provided also that the number of promotions so made is strictly proportionate to the recognised European strength in the grade of Inspectors.

4(*a*). A candidate for direct appointment must be a statutory native of India as defined in section 6, Statute 33, Vict., Cap. 3. He must possess the following qualifications :—

(*i*) He must not be less than 21 or more than 25 years of age on the 31st December of the year to which the nominations relate.

(*ii*) He must be of good character.

(*iii*) He must be a graduate.

(*iv*) He must be of sound health and active habits and free from organic defects or bodily infirmity.

(*v*) He must belong to a respectable family.

(*b*) The selection of candidates for direct appointment will be regulated as follows :—

When a vacancy is to be filled by direct appointment, the Inspector-General of Police, with the previous sanction of Government, shall cause a notice to be published in the *Calcutta Gazette* stating the Divisions from which nominations are to be made, and the date by which applications are to reach the District Magistrates. This shall ordinarily be done in August. He shall, at the same time, ask all or any of the Commissioners of Divisions each to nominate one or more candidates by the 31st October. The Commissioner shall call on each of his district officers to submit, in consultation with the Superintendent of Police, the name of one candidate belonging to families resident or domiciled in his district from amongst the applicants.

(*c*) The District Magistrate, in consultation with the Superintendent of Police, shall send his recommendation to the Commissioner concerned with the following papers :—

(*i*) A statement in the subjoined form (P. R. B. Form No. 1).

(*ii*) A certificate from the Registrar of the University that the candidate has obtained a Degree.

(*iii*) A certificate as to good character and conduct from the Principal of the Institution at which the candidate last studied for not less than a year, or from some responsible officer of Government.

(*iv*) A medical certificate in original in the form required by article 49 of the Civil Service Regulations.

(*v*) Evidence of the candidate's age.

(*d*) The Commissioner, in consultation with the Deputy Inspector-General, shall then select, out of this list, the number which he has been asked to nominate and forward the papers to the Inspector-General. On receipt of the papers, the Inspector-General may interview any of the candidates, and shall submit his recommendations to Government.

(*e*) The Inspector-General may, with the approval of Government, request the Director of Land Records or Commissioners of Divisions to nominate from officers already in service in other departments, *e.g.*, members of the Provincial and Subordinate Civil Services. The age of an officer nominated under this rule shall not exceed 30 years.

(*f*) Government will ordinarily select from the candidates thus nominated the number required to fill the appointments set aside for this class of candidates. The Governor in Council, however, reserves to himself the right to appoint, for special reasons, any person whom he may consider specially fit, even though he has not been recommended by the Inspector-General and does not possess all the qualifications mentioned in clause (*a*).

(*g*) Newly-appointed Deputy Superintendents of the above class shall undergo an eighteen months' course of instruction in the Police Training College, Surdah, as laid down in the Bengal Training College Manual, unless specially exempted by the Local Government.

5. The seniority of Deputy Superintendents will be regulated by the order of their appointment to the service. Newly-appointed Deputy Superintendents will ordinarily be placed in the lowest grade. When two or more officers are appointed on the same day, the order of their seniority will be determined by Government.

6. All Deputy Superintendents will be on probation for two years. At the end of that period, if favourably reported on, and if they have passed the prescribed examination, they will be confirmed. If a probationer fails to pass the examination within the period prescribed, or if he be unfavourably reported on, he is liable to be reverted to his original rank, or if he is an officer recruited direct, to be removed from the department. In special cases, however, Government may relax this rule on the recommendation of the Inspector-General. All officers who are confirmed will ordinarily be placed above any of their seniors who may not be found qualified for confirmation, but the penalty of supersession for delay in passing the departmental examination will ordinarily cease to operate when an officer reaches the next higher grade substantively. He will then regain his former position in the gradation list.

7. (*a*) Deputy Superintendents appointed direct, while at the College, will receive an allowance of Rs. 100 per mensem in lieu of their grade pay, which they will not draw until posted to a district.

(*b*) Officers holding substantive appointments in other departments of the Government service, who may be appointed Deputy Superintendents of Police, may be placed, at the discretion of the Local Government, in grades other than the lowest, provided that the sanctioned scale is not exceeded. Such officers will receive, while at the Training College, the pay of the grade to which they have been appointed or the pay of their substantive appointment, whichever is less, subject to a minimum of Rs 100.

(*c*) When a Deputy Superintendent is appointed to a district, he will receive the full pay of his grade from the date on which he joins his district appointment.

8. The promotion of Deputy Superintendents from grade to grade will be made by Government on the recommendation of the Inspector-General of Police. Promotion to the first two grades will be made strictly

by selection and to the third grade it will ordinarily be made by seniority subject to approved service.

P. R. B. FORM No. 1 (*vide* RULE 4 (*c*)(*i*)).

IRRIGATION DEPARTMENT.

The 4th January 1916.

No. 1 Notification.—The following draft of (*1*) revised rules and (*2*) revised schedule of rates of tolls, which the Governor in Council intends to make and fix, in exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), and in supersession of Notification No. 2, dated the 31st March 1914, for the navigable channels of the Magra Hât Drainage scheme, as defined in Notification No. 4, dated the 22nd April 1913 (published at page 634, Part I. of the *Calcutta Gazette* of the 23rd *idem*), is published as required by section 12 of that Act for the information of persons likely to be affected thereby.

II. The draft will be taken into consideration on or after the 16th February 1916, and any objection or suggestion which may be received by the undersigned before that date will be duly considered.

F. A. A. COWLEY,
Secy. to the Govt. of Bengal.

DRAFT RULES.

1. Every vessel entering or making use of the Magra Hât channels shall be liable to measurement for the purpose of ascertaining the tolls payable. In case of any reasonable doubt, the persons appointed by the Governor in Council as Collectors of Tolls or Navigation Canal Officers shall have authority to again measure a vessel notwithstanding that it was measured before.

2. Vessels for the purpose of determination of maundage shall be divided into three classes as follows :—

Class I—To include all vessels of the usual native types of build known as saltees, but not *bonâ fide* Tal (or palm tree) dongas *provided they are not used for carrying cargo.*

Class II—To include all other vessels of usual native types of build or cutters *including bholios and jolly boats.*

Class III—To include all steamers,* flats, barges, and other square-built boats.

The net maundage of every vessel, whether laden or empty, shall, for the purposes of the Canals Act, 1864, and of these rules, be determined by the following measurements :—

CLASS I.

A.—The product of one-quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel multiplied by three-quarters of the depth, measured from the top of the vessel amidships to the interior bottom of the vessel is to be taken as equal to the number of maunds upon which toll shall be levied.

B.—The measurement of the length to be made in feet, rejecting inches, and of the breadth and depth in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C.—Any vessel falling under this class, the maundage of which exceeds 50 maunds according to the above method of measurement will be given the option of compounding tollage according to the rules and rates contained in Appendices A and B or paying toll per trip as laid down for vessels of Class II in Appendix B (b) : the maundage of such vessels will be determined according to the measurements laid down for Class I vessels.

CLASS II.

A.—The product of one-quarter of the length of the vessel from stem to stern measured outside and along the water-line multiplied by the greatest interior breadth of the vessel multiplied by the greatest interior depth from the water-line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which the tolls shall be levied.

* *The word "steamer" includes all types of mechanically propelled craft such as motor boats.*

B.—The measurement of the length is to be made in feet, rejecting inches, the measurement of the breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder less than a quarter of a foot.

C.—The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, rejecting any remainder of less than 12½ maunds. In the case of boats exceeding 500 maunds by measurement the maundage shall be reckoned to the nearest integral multiple of 50 maunds rejecting any remainder of less than 50 maunds.

D.—In the case of boats carrying passengers only, one foot shall be deducted from the full interior depth of the vessel, the other measurements and the calculations for maundage being made in the methods prescribed for vessels under Class II.

CLASS III.

A.—For vessels of class III, the number of maunds obtained by the system of measurement prescribed for vessels of class II shall be increased by one-half. For vessels of this class exceeding 1,000 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 100 maunds rejecting any remainder of less than 100 maunds. In the case of steamers, the maundage determined as above shall be reduced by one-third as an allowance for engine space.

B.—In the case of steamers that have been surveyed under the Inland Steam-vessels Act, 1884, the registered tonnage entered in the certificate may be accepted as the tonnage of the steamer in lieu of measurement.

3. All vessels under class I, known and defined as saltees, will be charged under a system of compounded tollage in accordance with rules contained in Appendices A *and B (except where exempted under Rule 2, Class I (C).*

Saltees if brought into the canals from outside for sale may be allowed to pass on payment of single tolls leviable for class II boats, provided that the owner applies to the Toll Collector for such single tickets.

Boats of class II not exceeding 100 maunds measured by canal maundage will be allowed the privilege of compounded tollage at the rates specified in Appendix A at the option of the Supervisor.

4. Every vessel included in classes II and III entering or passing along the canal shall be furnished with a ticket on paying the prescribed toll. The ticket shall specify the station at which it has been issued, the name of the person in charge of the vessel, the date on which the voyage commenced, the point to which the vessel may proceed on the line of navigation, the maundage of the vessel, the amount of toll charged, the number of days allowed for the voyage, and the date of such last day. The number of days so allowed without additional payment shall be calculated as follows:—

Boats.—One day for every eight miles or portion of eight miles, to be traversed together with one day for every 100 maunds of measurement or part of 100 maunds.

Floats (timber).—One day for every five miles for any number of timbers not exceeding 50, and one day for every additional 50 or part of 50.

Rafts (bamboos).—One day for every five miles for any number not exceeding 500 and one day for every additional 500 or part of 500.

5. Every vessel which does not complete its voyage within the number of days allowed by rule 4 shall, for each day or part of a day in excess, be liable to an extra charge equal to one-half of the toll payable on the maundage of the vessel as per Schedule of Rates in Appendix B, provided that in no case shall the demurrage charged exceed Rs. 5 per diem. The Superintending Engineer may, at his discretion, exempt any boats on any line of navigation, or any portion of line of navigation, from the payment required by this rule.

Exemption from payment of demurrage may, at the discretion of the Collector of Tolls, be granted for vessels detained in the channels (steamers broken down and boats damaged) by stress of weather, should immediate notice of detention, for the information of the Collector of Tolls, Magra Hat channels, be given to the nearest toll-station.

6. All tolls are payable on demand and shall be paid at the toll-station before a vessel is permitted to proceed: Provided that *the Supervisor* may, at his discretion, permit vessels belonging to individuals or firms of

recognized standing to proceed without prepayment on an undertaking that the bills for tollage due shall be liquidated monthly on presentation.

7. The ticket must be kept on board the vessel and must be produced for inspection when demanded by any person authorized to do so *and delivered on exit at the last toll-station, or at the landing station in the case of licensed sailors, when the ticket expires.* If, on demand, the ticket is not produced, such person shall assess the tollage as provided in rule 2, and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel will be liable to seizure and detention in accordance with the provisions of section 9 of the Canals Act, 1864.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the Collector of Tolls on payment of a sum of Re. 1: Provided that for tickets on which the total tollage is less than Rs. 4, the fee to be charged for a duplicate shall be one-quarter of the total tollage with a minimum of As. 4.

9. A vessel, which has been detained under these rules or under section 9 of the said Act, may not be removed from the place of detention without the order of the Collector of Tolls until the toll due has been paid. During such detention the manjhi, owner or agent must make arrangements for the safety of the vessel and cargo.

10. All vessels, whether the property of Government or of private owners, are liable for toll, except those exempted by the provisions of Bengal Government Circular No. 17, dated the 11th July 1906.

11. Vessels may be hauled up for repairs on the banks of the canals with the previous written permission of the Supervisor or Navigation Canal Officer. A rent calculated at one-sixth the rate of ordinary demurrage will be charged for the time the vessel occupies the bank.

12. At places where mooring posts have been provided by the Supervisor or Navigation Canal Officer, vessels desiring to moor shall be made fast in single line along the banks to such posts in such manner as the Supervisor or Navigation Canal Officer may direct, and shall not be moored in any other manner.

13. The Supervisor or Navigation Canal Officer may, by written notice to be posted at the toll offices, prohibit the dropping of anchors or the putting up of bamboos or *luggees* in any specified part of the canals or on the banks.

14. Vessels shall be allowed to make fast in single line along the canal banks in such manner as may be directed by the Supervisor or Navigation Canal Officer from time to time, and no boat shall be made fast to or be placed outside of boats so secured. No boat or raft shall be placed in such a position as to endanger the safety or obstruct the passage of other boats. Every vessel, when stationary, shall be securely fastened, and shall at all times have some person in attendance on board. Every vessel in motion shall have a sufficient crew.

15. Vessels passing through the canals shall keep in separate lines, empty boats keeping close to the bank, and those that are laden in the centre.

16. In portions of the canals where only one towing-path exists, vessels shall moor on the side opposite to the towing-path, and the towing-path side shall always be kept clear.

17. Iron-built cargo-boats, with outside angle iron projecting beyond the wooden fenders, will not be allowed to enter the locks unless permanent fenders are fixed over the edges of the angle iron so as to prevent them from causing damage to the locks.

18. No fire, or open, unprotected light of any description shall be used on boats containing petroleum, jute, hay or straw in any place prohibited by the Navigation Canal Officer or Supervisor, and no fire, or open, or unprotected light (except in the case of steamers, the galley and engine room fires and the electric light) shall be used on any vessel while in a lock basin.

19. No person shall wilfully or negligently allow a vessel to sink in the canals.

20. In every case of a sunken vessel, whether due to negligence or otherwise, the Supervisor or Navigation Canal Officer and his subordinates shall offer every assistance in removing the same.

If in three days after the occurrence of a wreck it is seen that prompt measures are not being taken by the owner to remove the sunken vessel from the line of navigation, the Supervisor or Navigation Canal Officer and his subordinates shall make their own arrangements for the removal of the same at the expense of the owner, provided that, in cases where navigation is seriously obstructed, arrangements may be made at once to remove the wreck.

21. When a sunken vessel has been recovered, the Supervisor or Navigation Canal Officer shall cause notices to be posted at the locks, toll offices or other prominent places calling on those concerned to pay to the Collector of Tolls all toll or demurrage which may be due, as well as the expenses incurred in the recovery of the vessel and cargo. Should the sum due be not paid within fifteen days of the date of notice, the vessel and its furniture, or so much of it as may be necessary for the recovery of the dues, will be sold under the procedure directed in section 9 of the Canals Act, 1864.

22. The purchaser of a vessel sold under the provisions of section 9 of the said Act shall have the right to take it out of the canal on the day of purchase, or within such time as may be allowed by the Collector of Tolls, without payment of tolls.

23. When any laden vessel which has sunk has been recovered, or when any ladden vessel has been seized under the provisions of the said Act or of these rules, the Supervisor or Navigation Canal Officer shall give immediate notice of the recovery or seizure to the owner of the cargo or his agent, requiring the removal of the cargo without delay and informing him that he will be required to pay all expenses necessary for the proper custody and storage of the cargo until removed.

24. If the Supervisor or Navigation Canal Officer be unable to ascertain the name and place of business or the abode of the owner of the cargo of such vessel, the notice prescribed in rule 21 shall be effected by a notice exhibited in his office and by advertisement in at least one English and one vernacular Calcutta newspaper *as well as a local newspaper*.

25. No steam-vessel, whose length exceeds thirty feet, shall ply in the Magra Hât channels except in the following:—Diamond Harbour Creek, Usti Nainan outfall, Nazra khal, Sangrampur khal up to Sangrampur bridge, and the Surjipur outer khal up to the Surjipur bridge.

26. *Lights and signals.*—Every vessel, whether travelling or moored in the Magra Hât channels, must, between sunset and sunrise, carry a white light in a lantern on her forepart where it can be distinctly seen from all sides. All steam-vessels in motion shall carry the lights prescribed by the Board of Trade Regulations. Barges or boats attached to a steam-vessel, whether in motion or moored, shall carry the light prescribed above.

27. *Speed of vessels.*—Every vessel plying in the Magra Hât channels must, between sunset and sunrise, limit her speed to three miles per hour. No steam-vessels shall ply between sunset and sunrise in channels detailed in rule 25.

28. No vessel shall remain in the outer entrance channels of the locks at Diamond Harbour and Uttarbhag nor in the inner lock channel and diversion channel of the Diamond Harbour lock and sluice, nor in the approach channels to any sluice. A board will be put up limiting the portion of the channels in which boats are not permitted to moor.

29. The places at which boats cannot be loaded or unloaded will be fixed by the Superintending Engineer, South-Western Circle, and will be demarcated with suitable posts and notice boards.

30. For any contravention of rules 10, 14, 15, 16, 17, 19, 20, 26, 27 and 28 *and rule 9, Appendix A*, the person in charge of the vessel or other person in fault shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 50 for any one infringement, or Rs. 5 a day for any continuing infringement.

31. The channels may be closed, whenever necessary, for effecting the necessary repairs to them on one month's notice of the intention so to close them being given; but, in the event of any sudden emergency, the channels may be closed at any time without prior notice, and no claim in such cases by owners of vessels or others for compensation on account of detention or otherwise shall be entertained.

32. The term "Navigation Canal Officer," as used in these rules, shall include all persons appointed to collect tolls under section 8 of the Canals

Act, 1864, and all Public Works officers or subordinates in charge of the channel, not below the grade of Sub-Overseer.

33. No vessel whose beam exceeds 19 feet will be permitted to enter the channels through the Diamond Harbour lock. The same prohibition will apply in the case of the Uttarbhag lock to all vessels exceeding 14 feet beam.

34. Any vessel which enters the channels through the Diamond Harbour lock for the purpose of taking refuge during stormy weather will be charged a nominal toll of annas 8 per boat, provided that the vessel leaves the channel again as soon as the weather conditions permit, and does not load or unload cargo inside the channels. All vessels seeking refuge under this rule must anchor in the creek *between the Railway Station* and the Toll Collector's office and will not be permitted to proceed up the creek without paying the usual tolls.

35. Any vessel entering the channels through the Diamond Harbour lock and proceeding to load or unload at the Diamond Harbour Railway station only will be charged tollage at the rate of annas 2 per 100 maunds to include the return journey. *Five days' time will be allowed to such boats for the complete trip in and out of the lock.* Should such boats proceed up the creek, they will be charged the ordinary tolls.

The Toll Collector, Diamond Harbour, will issue a ticket when the boat enters the creek from the lock and will collect the same when the boat leaves the creek for the lock: if the quantity of cargo carried on exit exceeds that on entry he will charge tollage at the above rate on the excess amount only.

26. *The Superintending Engineer, South-Western Circle, may fix places where boats may remain for loading and unloading cargo without payment of demurrage.*

27. *Tolls will generally be levied at fixed toll-stations, but the Supervisor of the Canals may grant licenses anywhere within the canals, provided he is personally present.*

APPENDIX A.

Rules for licensing and registration of sattees or vessels under class I.

1. As provided for under rule 3, no vessel coming under class 1, rule 2, shall ply, whether regularly or only occasionally in, or partly within and partly without the limits of, the Magra Hât channels unless licensed and registered by the Collector of Tolls of the Magra Hât channels *or exempted from such registration.*

2. Every owner of a vessel or his agent or manjhi shall *present his boat* to the Collector of Tolls, Magra Hât channels, for licensing and registration giving the owner's name and residence or those of his agent duly authorized to act for him.

3. Every license granted under these rules shall continue in force for either *three,* six or twelve months from the date of issue.

4. The license is not transferable, and if the owner or manjhi or both of the vessel be changed, notice of the transfer must be given to the Collector of Tolls, the Magra Hât channels, who will endorse the change of ownership on the certificate and register free of charge.

5. The license certificate granted for a vessel shall contain the registered number of the vessel, owner's name and residence, name of *manjhi,* the maundage measurements, amount of compounded tollage and the dates of issue and expiry and shall be kept on board. It shall be produced, when required by a Navigation Canal Officer, and shall be delivered up on the expiration of the license.

6. The charge for the issue of a duplicate license to vessels in lieu of those defaced or lost shall be Re. 1.

7. The registered number of every licensed vessel shall be engraved, or branded, as well as painted in figures easily discernible on both sides of the vessel for which a charge of Re. 1 will be made. These figures shall be legibly maintained during the period of the license.

8. On the expiration of the license, the *manjhi* shall deliver up his ticket to the Toll Collector at the station from which it was issued.

9. No person in charge of any licensed vessel plying within the limits of the Magra Hât channels shall use or have any ticket resembling those granted under the authority of these rules.

10. Every renewal of a license shall, unless the Navigation Canal Officer considers it unnecessary, involve the issue of a fresh license certificate without alteration in the registered number of the vessel.

11. Every vessel under class I, found plying in the channels without being licensed and registered, shall be charged a demurrage rate of Rs. 3 for every such offence, provided that such vessel is not proceeding to the nearest toll-station for the purpose of obtaining a license and being registered. *The fine of Rs. 3 shall be in addition to the usual charge for licensing.*

Offg. Chief Secy. to the Govt. of Bengal.

NOTIFICATION.

Delhi, the 3rd February 1916.

No. 6.—The following Statutes are published for general information :—

1. Indian Civil Service (Temporary Provisions) Act, 1915—

(5 and 6 Geo. 5, Ch. 87.)

An Act to enable persons during the continuance of the War, and for a period of two years thereafter, to be appointed or admitted to the Indian Civil Service without examination.

A D 1915

[*The 23rd December, 1915.*]

BE it enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :—

Power to appoint to Indian Civil Service without examination

1.—(*1*) The Secretary of State in Council may, with the advice and assistance of the Civil Service Commissioners, make rules providing for the admission and appointment to the Indian Civil Service by the Secretary of State in Council, during the continuance of the present war, and for a period not exceeding two years thereafter, of British subjects possessing such qualifications with respect to age and otherwise as may be prescribed by the rules, notwithstanding that they have not been certified as being entitled for appointment as the result of examination in accordance with the regulations and rules made under section thirty-two of the Government of India Act, 1858, and section ninety-seven of the Government of India Act, 1915 :

21 & 22 Vict, c 106
5 & 6 Geo 5, c 61

Provided that—

(*a*) not less than one-fourth of the persons admitted to the Indian Civil Service during such period as aforesaid shall be persons who have been so certified as aforesaid ; and

(*b*) a person shall not be appointed to the Indian Civil Service under the rules made under this section unless the Secretary of State in Council has, with the advice and assistance of the Civil Service Commissioners, satisfied himself, in such manner as may be prescribed by the rules, that such person possesses the necessary educational qualifications.

(*2*) The provisions as to the laying before Parliament of regulations and rules made under the said sections thirty-two and ninety-seven shall apply to the rules made under this section.

Short title. 2. This Act may be cited as the Indian Civil Service (Temporary Provisions) Act, 1915.

NOTIFICATIONS.

Simla, the 31st January 1916.

No. 140G.—It is notified for general information that travellers to French Indo-China are required to provide themselves with passports which must be vised by a French Consular Officer.

Delhi, the 3rd February 1916.

No. 425-D.—The following extract from an Order in Council dated the 30th November further amending the Defence of the Realm (Consolidation) Regulations, 1914, made by His Majesty in Council under the Defence of the Realm Consolidation Act, 1914, as subsequently amended, is published for general information.

"2. After Regulation 14B the following regulation shall be inserted :—

"14C.—(1) A person coming from or intending to proceed to any place out of the United Kingdom as a passenger shall not, without the special permission of a Secretary of State, land or embark at any port in the United Kingdom unless he has in his possession a valid passport issued to him not more than two years previously, by or on behalf of the Government of the country of which he is a subject or a citizen, or, in the case of a person coming from a place outside the United Kingdom, either such a passport or some other document satisfactorily establishing his nationality and identity.

"To every such passport and document as aforesaid there must be attached a photograph of the person to whom it relates.

"In the case of British subjects resident in Ireland special permission to embark may be given by the Lord Lieutenant of Ireland instead of by a Secretary of State.

"(2) If any person lands or embarks in contravention of this regulation, or if, where any such special permission to land has been granted by a Secretary of State subject to any conditions, the person to whom it was granted fails to comply with any such condition, he shall be guilty of a summary offence against these regulations.

"(3) For the purposes of this regulation the expression 'passenger' includes any person carried on a ship other than the master and persons employed in the work or service of the ship."

CUSTOMS.

The 5th February 1916.

No. 869-W.—The following Order in Council is published for general information:—

AT THE COUNCIL CHAMBER, WHITEHALL.

The 20th day of December, 1915.

BY THE LORDS OF HIS MAJESTY'S MOST HONOURABLE PRIVY COUNCIL.

Whereas it is provided by section 2 of the Customs (Exportation Prohibition) Act, 1914, that any Proclamation or Order in Council made under

section 8 of the Customs and Inland Revenue Act, 1879, as amended by the Act now in recital, may, whilst a state of war exists, be varied or added to by an Order made by the Lords of the Council on the recommendation of the Board of Trade:

And whereas it is provided by section 2 of the Customs (Exportation Restriction) Act, 1914, that any Proclamation made under section 1 of the Exportation of Arms Act, 1900, may, whether the Proclamation was made before or after the passing of the Act now in recital, be varied or added to, whilst a state of war exists, by an Order made by the Lords of the Council on the recommendation of the Board of Trade:

And whereas by a Proclamation, dated the 28th day of July, 1915, and made under section 8 of the Customs and Inland Revenue Act, 1879, and section 1 of the Exportation of Arms Act, 1900, and section 1 of the Customs (Exportation Prohibition) Act, 1914, the exportation from the United Kingdom of certain articles to certain or all destinations was prohibited:

And whereas by subsequent Orders of Council the said Proclamation was amended and added to in certain particulars:

And whereas there was this day read at the Board a recommendation from the Board of Trade to the following effect:—

That the Proclamation, dated the 28th day of July, 1915, as amended and added to by subsequent Orders of Council, should be further amended by making the following amendments in and additions to the same:—

(1) That the heading "Iron, Hæmatite pig" in the list of goods the exportation of which is prohibited to all foreign countries in Europe and on the Mediterranean and Black Seas, other than France, Russia (except through Baltic ports), Italy, Spain and Portugal should be deleted, and that the exportation of "Hæmatite pig iron" should be prohibited to all destinations.

(2) That the exportation of "Iron and steel smelting scrap" should be prohibited to all destinations.

(3) That the exportation of the following goods should be prohibited to all destinations abroad other than British Possessions and Protectorates:—

Bichromate of soda;
Bladders, casings and sausage skins;
Colchicum and its preparations;
Solid drawn steel tubes;
Wireless telegraphs, material for.

(4) That the headings "Bichromate of soda" and "Bladders, casings and sausage skins" in the list of goods the exportation of which is prohibited to all foreign countries in Europe and on the Mediterranean and Black Seas, other than France, Russia (except through Baltic ports), Italy, Spain and Portugal should be deleted.

(5) That the heading "Telegraphs, wireless telegraphs, and telephones, material for" in the list of goods the exportation of which is prohibited to all foreign countries in Europe and on the Mediterranean and Black Seas, other than France, Russia (except through Baltic ports), Italy, Spain and Portugal should be deleted, and there be substituted therefor the heading "Telegraphs (other than wireless) and telephones, material for."

(6) That the exportation of the following goods should be prohibited to all foreign countries in Europe and on the Mediterranean and Black Seas, other than France, Russia (except through Baltic ports), Italy, Spain and Portugal:—

All such vegetable fibres and yarns made therefrom (not including linen thread) as are not at present prohibited to be exported to any destination.

NOW, THEREFORE, Their Lordships, having taken the said recommendation into consideration, are pleased to order, and it is hereby ordered, that the same be approved.

Whereof the Commissioners of His Majesty's Customs and Excise, the Director of the War Trade Department, and all other persons whom it may concern, are to take notice and govern themselves accordingly.

Army Reserves.

No. 121.—Second Lieutenant John William McDermott, Indian Army Reserve of Officers, is granted the temporary rank of Captain, subject to His Majesty's approval, with effect from the 28th January 1916.

JUDICIAL.

No. 135.—In pursuance of section 2 of the Defence of India (Criminal Law Amendment) Act, 1915 (IV of 1915), the Governor General in Council is

pleased to direct that the following amendment shall be made in the Defence of India (Consolidation) Rules, 1915, namely:—

After rule 25 of the said rules, the following rules shall be inserted, namely:—

"25A. (*1*) No person shall, without lawful excuse, collect, record, publish or communicate, or attempt to elicit, any information with respect to the movements, numbers, description, condition or disposition of any of the forces, ships or war materials of His Majesty or any of His Majesty's Allies or with respect to the plans or conduct, or supposed plans or conduct of any naval or military operations by any such forces or ships, or with respect to any works or measures undertaken for, or connected with, or intended for, the fortification or defence of any place, or any information of such a nature as is calculated to be or might be, directly or indirectly, useful to the enemy; and no person shall, without such excuse, have in his possession any document containing any such information.

Prohibition of obtaining, communicating or possessing naval and military information without lawful excuse.

(*2*) Whoever contravenes any of the provisions of this rule shall be punishable with imprisonment which may extend to seven years, or with fine or with both.

(*3*) Whoever, with the intention of assisting the King's enemies, has, since the commencement of the present war, done any of the acts referred to in sub-rule (1) shall be punishable with death, transportation for life, or imprisonment which may extend to ten years.

25 B. (*1*) The expression 'spy' in this rule includes any person who has, since the commencement of the present war, done or attempted to do any of the acts referred to in rule 25A (*1*) and who is reasonably suspected of having done so with the intention of assisting the King's enemies, and any person out of British India who is, or who is reasonably suspected of being, a person to whom information has been communicated or attempted to be communicated in contravention of that rule.

Prohibition of communications with spies.

(*2*) Whoever, without lawful excuse, communicates, or attempts to communicate with a spy, shall, unless he proves that he did not know, and had no reason to suspect, that the person with whom he so communicated or attempted to communicate was a spy, be punishable with imprisonment which may extend to seven years, or with fine or with both.

(*3*) Whoever, with the intention of assisting the King's enemies has been, since the commencement of the present war, in communication with, or has attempted to communicate with a spy, shall be punishable with death, transportation for life, or imprisonment which may extend to ten years.

(*4*) A person may, unless he proves the contrary, be deemed to be in communication with a spy if the name or address or any other information regarding a spy is supplied by him to any other person, in such circumstances as to give reasonable ground for suspecting that he is in communication with the spy.

(*5*) Any address, whether within or without British India, reasonably suspected of being an address used for the receipt of communications intended for the King's enemies, may be deemed to be the address of a spy, and communications addressed to that address to be communications with a spy."

LAND SALE NOTICES.

Advertisement of Sale.

NOTICE is hereby given that the undermentioned plots of land, no longer required by Government, situated along the Bengal-Nagpur Railway, in the district of Midnapore, will be put up to sale at 1 o'clock on Monday, the 27th March 1916, corresponding with the 14th Chaitra 1322 B.S., at Jondra.

The purchasers of the several plots of land will be subject to the following conditions :—

1st.—The purchasers will have no power to make any excavations on the land nearer than fifteen feet from the railway boundary, or to plough the land nearer than three feet from the same.

2nd.—If the amount of purchase money does not exceed Rs. 100, the whole amount must be paid down at once.

3rd.—If the amount of purchase money exceed Rs. 100, one-fourth of the amount must be immediately deposited. If the balance be not paid by noon of the 15th day after the sale, reckoning the day of sale as one, or if that day be a close holiday, then by noon of the first succeeding office day, the sale shall be cancelled, the sum deposited being forfeited to Government and the lot again put up for sale at the risk of the defaulting purchaser, after issue of advertisement, as in the case of original sale.

4th.—The plots of land will be sold revenue free to the highest bidders subject to upset prices.

5th.—The sale will become final on receipt by the Collector of the orders of the Commissioner confirming it, and a regular conveyance will then be granted to the purchaser.

THE INDIAN LAW REPORTS.

Published in FOUR SERIES viz

CALCUTTA, MADRAS BOMBAY AND ALLAHABAD.

THE Indian Law Reports, published under the authority of the Governor-General in Council, are printed in monthly Parts, which are issued, as soon as possible after the first of each month, at Calcutta, Madras, Bombay and Allahabad, respectively.

The Reports comprise four Series—one for the Calcutta High Court, a second for the Madras High Court, a third for the Bombay High Court, and a fourth for the Allahabad High Court.

The cases heard by the Privy Council on appeal from each High Court are reported in the Series for that High Court. Cases heard by the Privy Council on appeal from Provinces in India not subject to any High Court are reported in the Calcutta series.

The Calcutta Series is distributed by the Bengal Secretariat Book Depôt: and the Madras, Bombay and Allahabad Series are distributed direct from Madras, Bombay and Allahabad, respectively

Persons desiring to subscribe for or purchase the Reports should apply to—

the Officer in charge Bengal Secretariat Book Depôt, Calcutta,
or
the Superintendent, Government Press, Madras, or
the Superintendent, Government Central Press, Bombay, or

Acts of the Governor General's Council assented to by the Governor General.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

NOTIFICATION.

Delhi, the 26th January, 1916.

An Ordinance to provide for the trial by court-martial of foreigners for offences against the Defence of India Rules.

WHEREAS an emergency has arisen which makes it necessary to provide for the trial by court-martial of foreigners for offences against the Defence of India Rules;

Now, therefore, in exercise of the power conferred by section 72 of the Government of India Act, 1915, the Governor General is pleased to make and promulgate the following Ordinance:—

5 & 6 Geo. V, c. 61.

ORDINANCE No. III OF 1916.

1. This Ordinance may be called the Foreigners (Trial by Court-martial) Ordinance, 1916.

Short title.

2. In this Ordinance—

(*a*) "British subject" has the same meaning as in section 27 of the British Nationality and Status of Aliens Act, 1914:

Definitions.

4 & 5 Geo. V, c. 17.

Provided that any person who holds a certificate of naturalization as a British subject granted under any Act of the Governor General in Council for the time being in force shall, for the purposes of this Ordinance, be deemed to be a British subject.

(*b*) "Defence of India Rules" means any rules for the time being in force made under section 2 of the Defence of India (Criminal Law Amendment) Act, 1915.

IV of 1915.

(*c*) "Foreigner" means any person who is not a British subject.

3. (*1*) The Governor General in Council may, by order in writing, direct that a foreigner accused of anything which is an offence in virtue of the Defence of India Rules shall be tried by court-martial.

Trial of foreigners contravening rules under section 2 of the Defence of India Act, 1915.

(*2*) An order made under sub-section (*1*) may be made in respect of all foreigners or any particular foreigner or any class of foreigners, and in respect of all offences against the said rules or any particular offence or any class of offences.

(*3*) An order made under sub-section (*1*) may be made in respect of, or include any foreigner so accused whether such offence was committed before or after the commencement of this Ordinance.

4. When an order under section 3 has been made in respect of, or includes any foreigner, such foreigner, when so accused, may be taken into military custody, and shall, if he is already in other custody, be handed over to military custody, and shall be proceeded against and dealt with as if he was a person subject to military law in accordance with the Army Act, and as if the offence of which he is accused was an offence against military law; and may on conviction be sentenced to, and shall be liable to suffer, any punishment assigned by the Defence of India Rules for the offence of which he is found guilty.

Procedure on making of order under section 3.

44 & 45 Vict. c. 58.

5. The trial and all matters precedent thereto and attendant thereon shall be held and carried out in accordance with the provisions of the Army Act and the rules for the time being in force thereunder:

Procedure on trial.

44 & 45 Vict. c. 58.

Provided that the Governor General in Council may, by general or special order, modify, in such way as he may direct, any of the said provisions.

HARDINGE OF PENSHURST,
Viceroy and Governor General.

A. P. MUDDIMAN,
Secretary to the Government of India.

LIBERALITY OF BABU GAUR NITAI SAHA SANKHANIDHI.

No. 506Medl., dated Calcutta, the 5th February 1916.

From—THE HON'BLE MR. J. DONALD, M.A., I.C.S., Secretary to the Government of Bengal, Financial (Medical) Department.

To—The Commissioner of the Dacca Division.

WITH reference to your letter No. 282J., dated the 13th January 1915, in which you report that Babu Gaur Nitai Saha Sankhanidhi, a resident of the town of Dacca, has made a donation of Rs. 25,000 towards the construction of the new Mitford Hospital, Dacca, I am directed to request that you will be so good as to convey to the gentleman the thanks of Government for his liberality and public spirit.

DEPARTMENT OF AGRICULTURE, BENGAL.

Fourth Report on the Cotton Crops of Bengal, 1915-16.

(Note.—On the average of the five years ending 1913-14, the area under the Cotton Crops in Bengal represents some 0·2 per cent. of the total area under Cotton in India).

Character of the Season.—The early crop is chiefly grown in the Chittagong Hill Tracts and in the State of Hill Tippera and to a small extent in the districts of Bankura, Midnapore and Mymensingh. The late crop is grown only in Bankura and Midnapore. The weather was favourable for the early crop in the Chittagong Hill Tracts, Bankura and Mymensingh, but unfavourable in Midnapore and in the State of Hill Tippera due to drought in Midnapore and to excessive rain in Hill Tippera during the period of growth. A fair crop has been harvested for the Province. The condition of the late crop is generally reported to be favourable.

Area Sown.—The total area sown with the early crop is estimated at 85,698 acres against 88,268 acres (revised) last year and against 89,460 acres reported in the corresponding forecast of last year. The area sown with late cotton is reported to be 2,100 acres as against the same estimate of last year.

Outturn.—The estimated outturn of early cotton works out to 28,567 bales against 33,211 bales (revised) last year and against 33,821 bales reported in the corresponding period of last year. The outturn of late cotton is estimated at 1,173 bales as against the same estimate of last year.

CALCUTTA, *the 7th February 1916.*

DISTRICT REPORTS ON WEATHER AND CROPS

For the week ending on the 7th February 1916.

Summary.—Excepting a slight shower in Darjeeling, there was no rain throughout the Province during the week under report. The prospects of standing crops are reported to be fairly satisfactory, but rain is needed to improve their condition. Cutting and pressing of sugarcane are continuing and harvesting of spring crops is going on in places. The preparation of fields for jute and other autumn crops is proceeding. Cattle-disease is reported from three districts only. The average price of common rice for the Province has slightly fallen as compared with that of the previous week.

* New gauge fixed at Rajmahal from 1st June 1913 in place of the gauge at Sahebganj. The zero of gauge at Rajmahal is 54·46 feet above M. S.-L. up to 26th October 1915 and 60·00 feet above M. S.-L. from 27th October 1915.

† To compare the reduced levels shown in these monthly printed statements before and after the 1st June 1903, 5·78 feet should be deducted from the former or added to the latter (*vide* Bengal Government letter No. 1093T.—I., dated the 12th October 1909).

(a) A temporary gauge has been fixed and the readings below zero are being observed from the 7th March 1913.

(b) From the 13th November 1915 the zero of gauge is 2·43 ft. above M. S.-L. Previous to that the zero was at mean sea-level dating back to 15th July 1897. In the highest reading as given in the monthly statements up to and including October 1915 the zero of gauge has been taken as 4·30.

No. 25Marine.—The following Departmental Instructions regarding infectious diseases on vessels arriving at or being in the port of Calcutta are issued as supplementary to the rules, published under the Government of Bengal, Marine Department, Notification No. 126-Marine, dated the 20th October 1914, on the subject [published in the *Calcutta Gazette* of the 21st October 1914, Part I, pages 1936—18].

F. A. A. COWLEY,
Secy. to the Govt. of Bengal.

Vessels arriving at the Port of Calcutta.

1. The Master of any suspected or infected vessel shall, on arrival at the Sandheads, indicate by signal the port from which the vessel has come and shall hoist a signal which shall be by day the code flag over flag L of the Commercial Code and by night a white light over two red lights, forming an equilateral triangle, the lights to be not less than 6 feet apart and not less than 20 feet above the hull of the ship. The Master of a healthy vessel shall indicate by signal the fact that his vessel is healthy.

Signals

2. The Master or Medical Officer, if any, of any incoming vessel shall without delay make a signed declaration in Form A to the Pilot as to the absence or presence of infectious disease or suspected infectious disease on board. The Pilot shall telegraph to the Port Health Officer, Calcutta, from the nearest telegraph station the name of the particular disease, the number of cases on board, and the number of deaths, if any, from infectious disease or other suspicious causes that may have occurred during the voyage.

Master's declaration
Vide Appendix B

Health Officer to be informed

3. The Pilot of any Pilgrim or Emigrant vessel, or any vessel which has been declared by the Master or Medical Officer to be infected with plague or rat plague, or a vessel on which more than two cases of or deaths from sleeping sickness, jigger or typhus, have occurred, shall also telegraph to the Port Health Officer, Calcutta, and shall anchor the vessel at Diamond Harbour for inspection and grant of pratique, and shall not proceed up the river in the vessel without the permission of the Health Officer. The vessel, passengers and crew and their personal effects shall be dealt with according to the rules issued under Marine Department Notification No. 126 of the 20th October 1914.

Vessels to be detained at Diamond Harbour

4. If the number of cases of, or deaths from, small-pox or cholera on board has exceeded two, the vessel must be detained at Diamond Harbour; otherwise the Pilot may take her up to Metcabruj moorings.

Cholera and small-pox

5. Vessels with chicken-pox, measles, or scarlet fever on board may be allowed to proceed to Metcabruj under the provisions of rule 7 for suspected vessels and shall there be granted pratique.

Chicken-pox, measles, scarlet fever

(*a*) But if the number of cases of these diseases exceeds ten, the Port Health Officer at Calcutta shall be informed, and the vessel shall be detained at Diamond Harbour under the procedure indicated in rule 3 and shall be dealt with as the circumstances demand.

6. The Pilot of a vessel which has, within a period of two months immediately preceding its arrival, started from, or touched en route at, a port infected with yellow fever, or communicated (except orally without contact, or by signal) with a vessel, either infected or which has left an infected port within that period, shall anchor the vessel in Kalpi Anchorage, or if the weather is unfavourable at Diamond Harbour Anchorage, not less than half a mile from land at low water, for inspection and grant of pratique and shall not proceed up in the vessel without the permission of the Health Officer. The vessel, passengers and crew and their personal effects will be dealt with according to the rules issued under Marine Department Notification No. 126Marine, dated the 20th October 1914.

Yellow fever

7. The Pilot of a suspected vessel, including any vessel arriving from a locality infected with sleeping sickness or jigger, shall bring the vessel up to Meteabruj and shall anchor there for inspection by the Health Officer. The Master will be held responsible that no one of the passengers or crew having, or suspected to have, any infectious or contagious disease is allowed to depart before inspection, and he shall also prevent the landing of infected bedding, clothes or other personal effects which he has reasonable cause to consider likely to be infected.

Vessels permitted to proceed to Meteabruj.

(*a*) If, however, any vessel brought up under this rule is subsequently found to come under one of the classes specified in rules 3, 4, 5*a* and 6, the Health Officer may direct that she be taken back to Diamond Harbour.

NOTE.—When a ship has arrived from East Africa *vid* Colombo and has been granted formal pratique after examination at Colombo, she shall be taken as arriving from Colombo and as such calling for no special action.

8. The Master of any suspected or infected vessel specified in rules 3, 4, 5*a*, 6 and 7*a* shall not, without the permission of the Health Officer, allow any communication, except oral, with the shore or with any vessel or boat, excepting only the Pilot boat, and in that case communication shall be limited to receiving only the Pilot, the leadsman, their servants and baggage.

Communication prohibited.

9. The Health Officer, on receiving the notice under rule 2, shall arrange to examine the vessel without delay, and the Master shall give him every facility for the examination of the passengers, crew, personal effects, cargo and any part of the ship, and shall comply with all reasonable instructions given by the Health Officer.

Inspection of vessels and removal of cases of infectious diseases.

(*a*) In a case of infectious disease on a vessel arriving at Meteabruj the Health Officer shall arrange for the removal of the sick person to hospital by ambulance. The Deputy Commissioner of Port Police shall arrange to afford any assistance required by the Health Officer in the removal.

Vessels lying in the Port of Calcutta.

10. On the occurrence of a case of small-pox, chicken-pox, measles, plague, cholera, yellow fever, sleeping sickness, typhus, scarlet fever or jigger, on board any vessel lying in the port, the Master or Medical Officer (if any) shall at once intimate the fact to the Health Officer by telephone and in writing. He shall hoist signals specified in rule 1, and such signal shall not be lowered until the Health Officer has visited the vessel, arranged for the removal of the patient or patients, and given permission in writing to lower the signal. The Health Officer shall arrange for disinfection to be carried out by the Port sanitary staff.

Procedure for outbreak of infectious disease on vessel in port.

(*a*) If the vessel is lying alongside a wharf or in the docks, the Master shall cause information to be given to Dock Master or Superintendent of the Wharf, and shall be responsible that the sick person be isolated as much as possible and that free communication with the wharf is stopped until the Health Officer has inspected the vessel.

Intimation to Dock Master.

11. The Master of Medical Officer, if any, shall afford such true and full information as to the occurrence of the disease as the Health Officer may require, and shall carry out all reasonable orders of that officer and give such assistance as may be necessary.

Duty of Master.

12. On the occurrence of a case of one of the diseases specified in rule 10—

Infectious disease on inland vessels, flats and cargo boats.

(*a*) on any inland steam-vessel, the rules* issued under sections 51 and 51A of the Inland Steam Vessels Act, 1884, for the protection of passengers in river steamers against the spread of plague and other dangerous epidemic disease by persons travelling in such steamers shall be observed ;

(*b*) on any other vessel plying on inland water, such as country boat, flat, etc., the police shall detain the vessel or boat, and shall at once inform

* Bengal Government Notifications Nos. 16-Marine, dated 5th March 1907, 78-Marine, dated 13th July 1908, 136-Marine, dated 17th November 1908, and 108-Marine, dated 17th October 1911—*vide* Appendix C.

the Port Health Officer or Port Sanitary Inspector. If the patient has not been removed by his friends to hospital, the police will arrange for his removal. The Sanitary Inspector shall visit the vessel or boat without delay and carry out the necessary disinfection.

Police guard

13. Should the Health Officer consider it necessary, the Deputy Commissioner of Port Police shall provide a guard for any infected vessel, whether she be lying at Meteabruj on arrival or in the port proper.

Cleanliness of vessels

14. The Master of every vessel is responsible for seeing that his vessel is kept in a clean and sanitary condition. Ships' privies may be used in the stream and at the jetties, but not in the docks. When the flushing system is disarranged, provision must be made for hand-flushing (tub and tin) each time the privy is used; otherwise the privies should be kept locked and use made of over-side privies.

Removal of ashes and refuse

15. The Master of every vessel in the stream, or in the docks, is responsible for seeing that ashes and galley refuse are not allowed to accumulate or remain for more than 48 hours. Any failure of the conservancy system as affecting ships should at once be reported to the Port Health Officer.

Disposal of dead bodies.

Death before reaching Saugor

16. If a death occurs on board any vessel before she reaches Saugor, the body shall be buried in a depth not less than 5 fathoms in such manner as to secure its sinking at once and remaining below water.

Deaths in the river after passing Saugor

17. If a death occurs after passing Saugor, and the vessel is not likely to reach Calcutta the same day, the body shall, with the permission of the Magistrate at Diamond Harbour, be disposed of at that place. If the vessel is likely to arrive at Calcutta the same day, the Pilot shall telegraph particulars to the Port Health Officer, who in turn shall inform the police. The body shall be kept on board until the Health Officer has determined the nature of the disease and has made arrangements, through the police, if necessary, for its removal.

Death in the port

18. If a death occurs from any cause on board a vessel within port limits, *i.e.*, between Budge-Budge and Cossipore, during the day, the ensign and house flag, if there is one, are to be immediately lowered half-mast and kept in such position from sunrise to sunset as long as the body remains on board; at night one red light is to be hoisted at the peak half-mast. The occurrence of death shall be reported immediately to the Port Health Officer, who shall arrange for the disposal of the body as herein provided.

Certificate as to cause of death

19. On the occurrence of a death on a vessel the Port Health Officer should be informed immediately. If the vessel carries a medical officer that officer shall certify as to the cause of the death. If there is no medical officer, the above certificate shall be given by the Port Health Officer.

Post-mortem examination

20. When the Medical Officer of the ship or the Port Health Officer is unable for any reason to give a certificate as to the cause of death, the police shall be immediately informed by the Medical Officer or the Port Health Officer, as the case may be, and asked to arrange for a post-mortem examination.

Report of death by accident

21. In the case of death due to an accident the Master of the vessel shall report the occurrence immediately to the nearest police-station.

Certificate of cause of death necessary prior to removal of body

22. A dead body shall not be removed from the vessel until the certificate prescribed in rule 19 has been granted by the officer responsible for the same.

Removal of body by the police

23. The police shall be responsible for the removal of a dead body only when (*a*) post-mortem examination is necessary, or (*b*) the body is unclaimed.

Accidents.

Accidents on vessels.

24. On the occurrence of an accident on board a vessel, the Master, or person in charge, shall give immediate intimation to the nearest police-station. The police will arrange for the removal of the case to hospital by ambulance.

Cleanliness of inland craft.

Cleanliness of inland craft.

25. The manjhi of every flat or cargo boat is responsible for seeing that his vessel is kept clean and that foul bilge water is not allowed to accumulate.

APPENDIX A.

Instruction for reporting cases of infectious diseases to the Port Health Officer.

Use of telephones.

INTIMATION of the outbreak of infectious diseases on vessels lying in the port should, under the foregoing rules, ordinarily be made in office hours direct to the Health Officer (telephone No. 2650). The Port Commissioners' telephones are available for the purpose at the Harbour Masters' hulk, Garden Reach, the Pier Head, Kidderpore Docks, Tuckta Ghat, Outram Ghat, Chandpal Ghat and the dock sheds, office of the Assistant Superintendent, coal dock and jetty sheds. If the Port Health Office is closed, or the intimation is to be given out of office hours (11 A.M. to 5 P.M.), or when there is delay in getting into communication, the Health Officer's private telephone No. 1259, otherwise telephone No. 1260 or No. 1910, may be rung up.

APPENDIX B.

FORM A.

(Referred to in Rule 2.)

$\frac{\text{Master}}{\text{Medical Officer}}$ of S.S. do hereby declare in presence of , Pilot, that—

(1) I have not on board and have not had on board any case or suspected case of infectious disease, nor any noticeable mortality among rats, since my departure from (last port).

(2) I have or have had on board since my departure from (last port) the following cases or suspected cases of infectious disease:—

(Signature.) Dated

Note.—The Medical Officer will fill up the section required, cancelling the other. In the absence of a Medical Officer, the Master will fill up the form.

N.B.—The giving of false information is punishable under section 177 of the Indian Penal Code with six months' imprisonment or fine of Rs. 1,000.

APPENDIX C.

Rules for the protection of passengers in river steamers against the spread of plague and other dangerous epidemic disease by persons travelling in such steamers, issued by the Government of Bengal under sections 51 and 51A of the Inland Steam Vessels Act, 1884.

[Notification No. 16 Marine, dated the 5th March 1907.]
[Notification No. 78 Marine, dated the 13th July 1908.]
[Notification No. 136 Marine, dated the 17th November 1908.]
[Notification No. 103 Marine, dated the 17th October 1911.]

RULES.

1. Whenever it appears to the Magistrate of the district or the Subdivisional Magistrate, within whose jurisdiction any ghât is situated at which steamers call, that by reason of the existence of an epidemic in the neighbourhood of such ghats, there is danger of passengers suffering from the said epidemic being taken on board a vessel, he shall, *in consultation with the Civil Surgeon of the district*, depute a medical officer to inspect and pass all the passengers embarking at the ghât in question, and no passenger may embark without being so examined and passed.

2. (*1*) Whenever any case of plague, small-pox, cholera or other dangerous epidemic disease occurs on board a river steamer, the Medical Officer of the steamer or, where there is no such Medical Officer, the Master or serang, shall immediately—

(*a*) remove the patient together with his bedding, drinking utensils and food to a part of the deck at the extreme stern of the steamer, where he shall be segregated from the rest of the passengers by a *purdah* or awning. In the case of plague, steps should be taken immediately to get rid of any fleas that may be present in the clothing, bedding, and, if considered necessary, in the baggage of the patient, by the complete immersion in boiling water of all articles capable of affording a lodgment for fleas;

(*b*) cause all excreta, vomit and urine which may have been discharged on to the deck by the patient to be cleaned away with a solution of cyllin; and

(*c*) report the case to the Subdivisional or District Magistrate within whose jurisdiction the nearest ghât lies, and also to the Civil Surgeon of the district.

(*2*) Where such ghât is not at the head-quarters of a subdivision or district, the report mentioned in sub-clause (*c*) of clause (*1*) shall be sent by the Medical Officer of the steamer, or Master or serang, as the case may be, by the most expeditious means available, to the next head-quarters of a subdivision or district at which the steamer will touch.

(*3*) At any station within the Port of Calcutta the report shall be made to the Health Officer of the Port.

3. If, when the case occurs, the steamer is lying at a ghât at the head-quarters of a subdivision or district, or, otherwise, when the steamer has reached the nearest ghât which is at such head-quarters, the Master or serang shall not move the steamer therefrom until permission has been given by the District or Subdivisional Magistrate, or by the Medical Officer under rule 8.

4. (*1*) On receipt of the report mentioned in rule 1, the Magistrate or Civil Surgeon shall at once depute a Medical Officer to inspect and disinfect the steamer.

(*2*) Such Medical Officer shall visit the steamer, and if a suitable hospital is available, or if other satisfactory arrangements can be made for his treatment and segregation, shall bring the patient to land.

(*3*) Within the Port of Calcutta the Health Officer of the Port shall perform these duties.

5. Where no such hospital is available and no such arrangement can be made, the patient shall not be allowed to land, but the Medical Officer deputed under rule 3 shall take steps to ensure the proper segregation of the patient on the steamer and to satisfy himself that every possible precaution has been taken to prevent the spread of the disease.

6. The Medical Officer deputed under rule 3 shall in all cases cause the deck, cabins, latrines, and any other part of the steamer where the patient has been, to be thoroughly washed down with a strong solution of cyllin, and all utensils which have been used by the patient, to be disinfected.

7. (*1*) In case of death, the body of the patient shall be wrapped in a cloth soaked in a strong solution of cyllin and made over to his friends, or, where he is without friends, to the police, who shall arrange for its disposal.

(*2*) If they have not already been disinfected as directed in rule 1 (*a*), the clothes of the deceased (except those in his baggage), his bedding and all food in his possession shall be burnt, unless orders to the contrary are passed by the Medical Officer.

8. The Medical Officer deputed under rule 3 shall ascertain the names and addresses of all members of the party accompanying the patient, and shall report them through the Magistrate to the Magistrate of the district to which they are proceeding.

9. When the orders contained in these rules have been complied with, and the Medical Officer deputed under rule 3 is satisfied that there is no reason further to detain the steamer, he may give permission to the Master or serang to proceed on the journey.

10. The owner of every steamer shall be bound to keep on board each steamer one gallon of cyllin.

11. The patient may be permitted to land on the expiry of a period to be fixed by the Medical Officer deputed under rule 3.

Orders by the Governor of Bengal in Council.

MUNICIPAL AND LOCAL.

NOTIFICATIONS.

No. 469M.—The 7th February 1916.—In exercise of the powers conferred by section 9, sub-section (2), clause (*c*), of the Calcutta Municipal Act, 1899, the Governor in Council is pleased to appoint Mr. J. A. Jones, who is a Commissioner of the Corporation of Calcutta, to be a member of the General Committee of the Corporation, *vice* Mr. A. C. Patterson, resigned.

Calcutta.

No. 484M.—The 9th February 1916.—The following draft order which the Governor in Council proposes to make in exercise of the powers conferred by section 86 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), is published for the information of persons likely to be affected thereby.

24-Parganas.

II. The draft will be taken into consideration on the 20th March 1916, and any objection or suggestion which may be received by the undersigned through the District Magistrate and the Divisional Commissioner before that date will be duly considered.

Draft order.

In exercise of the power conferred by section 86 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), and upon the application of the Commissioners of the Budge-Budge Municipality, in the district of the 24-Parganas, made in pursuance of a resolution passed at a meeting specially convened to consider the question, the Governor in Council is pleased to sanction the levy, under section 321 of that Act, by the Commissioners of the said Municipality, of fees for the cleansing of private privies and cess-pools within the areas to which the provisions of Part IX of the Act have been extended by Notification No. 2081-M., dated the 28th August 1915, published at page 258, Part I B of the *Calcutta Gazette*, dated the 1st September 1915.

No. 487M.—The 9th February 1916.—Whereas the Board of Trustees for the Improvement of Calcutta have selected the Maniktala Municipality, in the neighbourhood of Calcutta, as one of the areas to be used for the development, improvement and expansion of Calcutta, and for this purpose they propose to acquire lands there, to provide building-sites and open spaces for play-grounds for those who have been or will be, hereafter, obliged to remove from Calcutta in consequence of improvement schemes therein and to undertake drainage operations in the Maniktala Municipality;

And whereas it is necessary, in order to execute the above scheme, that the working sections of the Calcutta Improvement Act, 1911 (Bengal Act V of 1911), be extended to the said area;

Now, therefore, the Governor in Council is pleased, in exercise of the power conferred by clause (*3*) of section 1 of the said Act, to extend to the said area the following provisions of the said Act (as amended by Bengal Act III of 1915), so far as those provisions are applicable, namely:—

(1)	Chapter	II	...	... All sections.
(2)	,,	III	...	... Sections 36, 39 to 43 (inclusive), 45 to 56 (inclusive), 58 to 62 (inclusive), 64, 65 and 67.
(3)	,,	IV	...	... All sections.
(4)	,,	VI	...	... Section 107.
(5)	,,	VII	...	... All sections.
(6)	,,	VIII	...	... All sections, *except* sections 146, 147, 148, 149, 150, 167, 171, 171A, 173, 174A, 176 and 177.
(7)	The Schedule.			

Hooghly. *No. 492M.—The 10th February 1916.*—In exercise of the power conferred by section 14 of the Bengal Municipal Act, 1884 (Bengal Act III of 1884), the Governor in Council is pleased to appoint the following gentlemen to be Commissioners of the Bhadreswar Municipality, in the district of Hooghly:—

Mr. W. D. Bruce Watt.	Babu Bhut Nath Banarji.

Notice.

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted Service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the Fund are—(1) that widowed daughters incapable of remarriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominees predecease them after five years of admission. The Fund is now of ten years' standing and has a balance of over three and-a-half lakhs with Government on four per cent. interest. For forms of applications and rules of the Fund apply to the Comptroller, India Treasuries Imperial Secretariat Buildings, Calcutta.

THE INDIAN LAW REPORTS.

Published in FOUR SERIES viz.

CALCUTTA, MADRAS BOMBAY AND ALLAHABAD.

THE Indian Law Reports, published under the authority of the Governor-General in Council, are printed in monthly Parts, which are issued, as soon as possible after the first of each month, at Calcutta, Madras, Bombay and Allahabad, respectively.

The Reports comprise four Series—one for the Calcutta High Court, a second for the Madras High Court, a third for the Bombay High Court, and a fourth for the Allahabad High Court.

The cases heard by the Privy Council on appeal from each High Court are reported in the Series for that High Court. Cases heard by the Privy Council on appeal from Provinces in India not subject to any High Court are reported in the Calcutta series.

The Calcutta Series is distributed by the Bengal Secretariat Book Depôt: and the Madras, Bombay and Allahabad Series are distributed direct from Madras, Bombay and Allahabad, respectively.

Persons desiring to subscribe for or purchase the Reports should apply to—

the Officer in charge Bengal Secretariat Book Depôt, Calcutta, or
the Superintendent, Government Press, Madras, or
the Superintendent, Government Central Press, Bombay, or
the Curator of Government Books, United Provinces of Agra and Oudh, Allahabad.

North Channel entrance, Tsungming Crossing—Alteration in buoyage.

No. 32 (third publication).—The Coast Inspector, Shanghai, has given Notice (No. 608 of 1915) that the following changes in the buoyage of the Tsungming Crossing have been made.

The East Entrance Buoy is now a *red* and *black* horizontally striped Buoy, gas-lighted. It is moored in 45 feet of water in the fairway at the northern entrance to the Crossing. From the Buoy, North-west Beacon bears N. 47° W., distant 3·84 miles.

The First Crossing Buoy has been discontinued.

The Second Crossing Buoy, which will hereafter be known as the Crossing Buoy, is a *red* Buoy, gas-lighted. It is moored in 12 feet of water on the western side of the Crossing. From the Buoy, North-west Beacon bears N. 21½° W., distant 4·04 miles.

The West Spit Buoy is now moored in 32 feet of water off the end of the spit on the eastern side of the southern entrance to the Crossing, its characteristics remaining unchanged. From the Buoy, Quarantine Beacon bears S. 54° E., distant 3·91 miles.

All bearings given are magnetic, and depths are those of low water of spring tides.

CAUTION.

The Crossing is in a state of rapid change and should be navigated with extreme caution.

DEPARTMENT OF AGRICULTURE, BENGAL.

Third and Final Report on the Winter Rice Crop of Bengal, 1915-16.

(NOTE.—On the average of the five years ending 1913-14, the area under Winter Rice in Bengal represents some 10·6 per cent. of the total area under Rice in British India.)

Character of the Season.—In the second forecast, the season up till October was reported to be fairly satisfactory on the whole for the growth of the crop. Since then, somewhat excessive rainfall in the latter part of November caused slight damage in a few places, but did not affect the condition of the crop as a whole.

Acreage.—According to the figures furnished by the District Officers this year, the total acreage for the province is 15,105,100 acres against 15,084,300 acres last year, or an increase of 20,800 acres only.

Outturn.—From the summary of the district returns appended, it will be seen that a bumper crop has been harvested in the 24-Parganas, Khulna and Bakarganj, the percentage of outturn being 117, 123 and 120 respectively. Five other districts (viz., Howrah, Dinajpur, Jalpaiguri, Rangpur and Bogra) also report more than a normal crop. In seven districts (viz., Midnapur, Rajshahi, Pabna, Malda, Faridpur, Chittagong and Noakhali) the outturn was normal. Five districts report percentages between 82 to 92 and six districts between 60 to 78. Bankura returns as low a percentage as 42.

According to the District Officers' estimates, the Provincial outturn works out to 97 per cent. as compared with 72 per cent. of the normal last year.

On the basis of the normal yield of 12 maunds of clean grain per acre, the Provincial outturn works out to 129,176,300 cwts. against 95,751,400 cwts. last year.

Third and Final Report on Winter Rice Crop of Bengal, 1915-16.

District.	Estimated normal area under winter rice.	Estimated area under winter rice.		Estimated outturn as a percentage of the normal yield per unit of area.		Date by which the harvesting generally commenced this year, and whether that date was early, normal or late	REMARKS BY DISTRICT OFFICERS.
		Last year (1914-15).	This year (1915-16).	Last year.	This year.		
1	2	3	4	5	6	7	8
	Acres.	Acres.	Acres.				
24-Parganas ...	899,700	785,100	789,300	67	117	Middle of November. Normal.	The increase over last year's area is due to the fact that transplantation continued even after the submission of the first forecast as there was sufficient rainfall. Favourable weather also prevailed during the growth of the crop. Hence the outturn is above the normal.
Nadia ...	136,800	134,600	123,900	58	67	Ditto ...	The decrease in area as compared with that of the last year is due to want of rainfall. In the second forecast the area was estimated a little higher by the Subdivisional Officer of Chuadanga. The weather was not favourable. Hence the outturn is below the normal.
Murshidabad ...	345,600	315,900	322,300	75	75	November to December. Normal.	The increase in area as compared with that of the last year is due to some jute fields being cultivated with this crop in consequence of the fall in the price of jute. The weather conditions were not favourable. About 3 annas of the crop was been damaged by drought and insect-pests. Hence the outturn has fallen below the normal.
Jessore ...	568,100	411,400	463,900	87	92	November. Normal	The slight increase in area as compared with that of the second forecast is due to more correct estimates in the Sadar and Jhenidah subdivisions. The weather was favourable, but the crop was in some parts damaged by flood and insects. Hence the low outturn.
Khulna ...	745,300	748,900	749,300	89	123	November. Normal.	The increase in area as compared with that of the last year is due to the cultivation of some *char* and fallow lands. The weather was favourable. Hence the outturn exceeded the normal.
Burdwan ...	874,800	760,000	520,000	67	67	Middle of November.	The decrease in area is due to deficient rainfall at the time of sowing. The drought prevailed throughout the district during the period of growth also. Hence the outturn is much below the normal.
Birbhum ...	604,600	604,600	373,000	67	83	End of November. Normal.	The decrease in area as compared with that of the last year is due to inadequate rainfall. The weather was fairly good afterwards.
Bankura ...	510,600	481,800	171,000	83	42	5th December. Normal.	The decrease in area is due to scanty rainfall. The outturn has fallen much below the normal for the same reason
Midnapore ...	1,579,400	1,574,900	1,856,000	67	100	End of November. Normal.	The decrease in area as compared with that of the last year is due to want of rainfall at the time of sowing. The subsequent weather conditions were good except that the rainfall in November caused slight damage to the crop. Some damage was also done to the crop by insect-pests and rain during the harvest time. The outturn is estimated to be the normal.
Hooghly ...	276,700	246,100	227,000	71	82	End of November. Normal.	The decrease in area this year was due to late monsoon. The weather was afterwards favourable for the growth of the crop. The outturn is below the normal owing to insufficient rainfall at the outset.

Howrah ...	135,200	103,300	111,700	67	108	Middle of November. Normal.	The increase in area as compared with that of the last year is due to the fact that more lands were cultivated with this crop owing to the fall in the price of jute. The weather was favourable. The outturn is a little above the normal.
Rajshahi ...	697,000	402,000	585,900	70	100	1st week of December. Normal	The increase in area sown this year was due to extension of cultivation owing to the decrease in the price of jute last year. The weather was favourable
Dinajpur ...	1,120,300	900,800	1,034,900	50	105	End of November. Normal	The increase in area as compared with that of last year was due to timely rainfall and also to decrease in the area under jute crop. The weather was favourable. The outturn is above the normal.
Jalpaiguri ...	551,300	408,000	516,400	72	106	Beginning of December. Normal.	The increase in area as compared with that of last year was due to favourable rainfall at the sowing time and to the preference given to paddy over tobacco and jute crops. The weather was favourable. The outturn is above the normal.
Darjeeling ...	65,200	36,800	38,200	67	92	Second week of November	The weather was favourable for the growth of the crop. The outturn is a little below the normal
Rangpur ...	822,300	582,300	800,900	90	104	Middle of November. Normal.	The weather was favourable. The outturn exceeded the normal owing to timely rainfall and continued good weather.
Bogra ...	303,000	303,000	303,000	60	105	Beginning of December. Normal.	The outturn is above the normal owing to favourable weather.
Pabna ...	566,000	470,000	509,000	92	100	End of November Normal.	The increase in area as compared with that of last year was due to extension of cultivation of this crop owing to stopping of jute trade.
Malda ...	300,000	300,000	200,000	45	100	Ditto ...	The weather was favourable for the growth of the crop. The outturn is reported to be normal.
Dacca ...	633 100	597,200	592 800	80	78	Middle of November. Normal.	The decrease in area is due to the fact that many low lands in certain parts of the district were entirely washed away during the beginning of September by unusually high floods resulting from excessive rain. The weather was good at the beginning of the season; but afterwards the floods, drought and storm caused considerable damage to the crop. In the high lands in certain parts of the district there has been a bumper crop; but the average outturn is below the normal.
Mymensingh ...	1,126,700	966,500	972,700	100	90	Beginning of December Normal.	The increase over last year's area is due to the transplantation of this crop after the harvesting of jute. The weather was favourable. Subdivisional Officer of Kishoreganj reports that about 40 per cent. of the broadcasted paddy was damaged by flood. Hence the low outturn
Faridpur ...	770,100	611,000	768,100	80	100	Middle of November. Normal.	The increase in area was due to the fall in the price of jute last year. The weather was favourable. Slight damage was caused by the unusual rise of water. The outturn is reported to be normal.
Bakarganj ...	1,200,000	1,285,000	1,210 000	60	120	December Normal	Owing to favourable weather throughout the season, a bumper crop has been obtained
Chittagong ...	418,400	425,000	426,100	80	100	End of November. Normal	The increase in area over last year was due to extension of cultivation. The weather was favourable. The outturn is reported to be normal.

Tippera ...	724,800	820,000	783,000	75	60	November to December. Normal.	The outturn is low owing to high floods from June to September causing much damage to long stalked paddy on low land and also to late subsidence of the same causing too much delay in transplantation. More rain in November would have benefited the late sown and late transplanted paddy greatly.
Noakhali ...	568,900	633,000	637,000	80	100	November Normal	The effect of the late rains in October was beneficial to the growth of the crop except in the flooded tracts in the Feni subdivision, where the outturn was poor. Still the outturn is normal on the whole.
Chittagong Hill Tracts	47,500	38,000	48,000	50	60	1st part of December. Normal.	The increase in area over last year was due to extension of cultivation. Some damage was caused by insect-pests. In consequence of unseasonable rainfall, the outturn is below the normal.

DISTRICT REPORTS ON WEATHER AND CROPS

For the week ending on the 14th February 1916.

Summary.—No rain fell during the week under report, excepting some slight scattered showers in parts of the Rajshahi Division. Rain is urgently needed for ploughing operations for autumn crops. Reaping and pressing of sugarcane and harvesting of potatoes and pulses are in progress. The standing spring crops have suffered to some extent owing to the continued absence of rainfall. The present prospects are reported to be fair. Cattle-disease is reported from six districts. The average price of common rice for the province fell by about 1·3 per cent. as compared with that of the previous week.

NOTE.—The total approximate Earnings for the current half-year up to the end of January show an increase over the corresponding period of last year by Rs. 56,175. This increase is partly made up of Passenger Traffic and Luggage, owing to the Poojah holidays having been later in 1915 (and so throwing the traffic into the first month of the current half-year) and partly to an increase in goods traffic under Potatoes and building materials.

Judging from the present state of the traffic and the absence of Tourists, it may be taken that the Gross Earnings of February and March will be only slightly better than in 1915 and may be placed at Rs. 1,75,000, making the total gross Earnings of the half year about Rs. 5,70,000.

As, however, there is a prospect of exports of Stored Jute during February and March, the earnings of those two months may be taken at about Rs. 55 a mile a week, or say Rs. 34,000, making the approximate Gross Earnings for half-year about Rs. 90,000.

NOTE.—The Earnings of Rs. 33,265 up to the end of January 1916 represent a return of about Rs. 63 per mile per week. The current week's return of Rs. 111 per mile per week is the highest yet touched and is due to a large traffic in Oranges and in Wool and to a steady but gradual development of inwards traffic in General Stores.

Though the Orange traffic is now practically over the Wool traffic it is expected will continue and the earnings during February and March may be placed at say Rs. 90 per mile per week, or about Rs. 24,000, or say Rs. 55,000 for the Half-year.

Offg. Chief Secy. to the Govt. of Bengal.

NOTIFICATION.

Delhi, the 16th February 1916.

No. 1246-W.—In pursuance of section 2 of the Defence of India (Criminal Law Amendment) Act, 1915, as subsequently amended, the Governor General in Council is pleased to make the following rules:—

Short title

(*1*) These rules may be called the Defence of India (Wool Purchase) Rules, 1916.

Prohibition against purchasing wool

(*2*) With effect from 16th February 1916, no person shall (except under a license granted under Rule 3 and upon the conditions and to the extent stated in such license) purchase, or receive delivery of, wool which has been brought into British India from or through the State of Sikkim.

Grant of license for such purchase

(*3*) The Governor General in Council may empower such officer as he may name in this behalf to grant licenses in writing on such terms as such officer may think fit, to any persons to purchase such wool.

Penalty for breach of rule 2

(*4*) Any person who commits, or attempts to commit, or abets or attempts to abet, the commission of any act prohibited by these rules shall be punishable with rigorous imprisonment which may extend to one month, or with fine, or with both.

ORDER.

No. 1247-W.—Under Rule 3 of the Defence of India (Wool Purchase) Rules, 1916, the Governor General in Council is pleased to empower Mr. A. C. McWatters, Wheat Commissioner in India, to grant licenses in writing in such terms as he may think fit to any persons to purchase wool which has been brought into British India from or through the State of Sikkim.

REVENUE DEPARTMENT.

NOTIFICATIONS.

No. 1950L.R.—The 22nd February 1916.—In exercise of the powers conferred by section 101 (2) (*d*) of the Bengal Tenancy Act, 1885 (Act VIII of 1885), the Governor in Council is pleased to direct that a survey shall be made and a record-of-rights prepared in respect of all lands appertaining to the Government estate Sungai bearing No. 485 on the revenue-roll of the district of Murshidabad.

Murshidabad.

The particulars to be recorded in the survey and record-of-rights shall be the following:—

(*a*) the name of each tenant or occupant;

(*b*) the class to which each tenant belongs, that is to say, whether he is a tenure-holder, raiyat holding at fixed rates, settled raiyat, occupancy raiyat, non-occupancy raiyat or under-raiyat, and if he is a tenure-holder, whether he is a permanent tenure-holder or not, and whether his rent is liable to enhancement during the continuance of his tenure;

(*c*) the situation and quantity and one or more of the boundaries of the land held by each tenant or occupier;

(*d*) the name of each tenant's landlord;

(*e*) the rent payable at the time the record-of-rights is being prepared;,

(*f*) the mode in which that rent has been fixed, whether by contract by order of a Court, or otherwise;

(*g*) if the rent is a gradually increasing rent, the time at which, and the steps by which, it increases;

(*h*) the rights and obligations of each tenant and landlord in respect of—

(i) the use by tenants of water for agricultural purposes, whether obtained from a river, *jhil*, tank or well, or any other source of supply, and

(ii) the repair and maintenance of appliances for securing a supply of water for the cultivation of the land held by each tenant, whether or not such appliances be situated within the boundaries of such land;

(*i*) the special conditions and incidents, if any, of the tenancy;
(*j*) any right of way or other easement attaching to the land for which a record-of-rights is being prepared;
(*k*) if the land is claimed to be held rent-free, whether or not rent is actually paid, and, if not paid, whether or not the occupant is entitled to hold the land without payment of rent, and, if so entitled, under what authority.

The 22nd February 1916.

No. 3.—Notification.—In exercise of the powers conferred by sections 6 and 11 of the Canals Act, 1864 (Bengal Act V of 1864), and in supersession of Notification No. 2. dated the 31st March 1914, the Governor in Council is pleased to make and fix with effect from the 1st April 1916 the following (*1*) revised rules and (*2*) revised schedule of rates of tolls for the navigable channels of the Magra Hât Drainage scheme, as defined in Notification No. 4, dated the 22nd April 1913 (published at page 634, Part I, of the *Calcutta Gazette* of the 23rd *idem*).

F. A. A. COWLEY,
Secy. to the Govt. of Bengal.

RULES.

1. Every vessel entering or making use of the Magra Hât channels shall be liable to measurement for the purpose of ascertaining the tolls payable. In case of any reasonable doubt, the persons appointed by the Governor in Council as Collectors of Tolls or Navigation Canal Officers shall have authority to again measure a vessel notwithstanding that it was measured before.

2. Vessels for the purpose of determination of maundage shall be divided into three classes as follows :—

Class I—To include all vessels of the usual native types of build known as saltees, but not *bonâ fide* Tal (or palm tree) dongas *provided they are not used for carrying cargo.*

Class II—To include all other vessels of usual native types of build or cutters *including bholios and jolly boats.*

Class III—To include all steamers,* flats, barges, and other square-built boats.

The net maundage of every vessel, whether laden or empty, shall, for the purposes of the Canals Act, 1864, and of these rules, be determined by the following measurements :—

CLASS I.

A.—The product of one-quarter of the inside length of the vessel, measured along the centre line from stem to stern, multiplied by the interior greatest breadth of the vessel multiplied by three-quarters of the depth, measured from the top of the vessel amidships to the interior bottom of the vessel is to be taken as equal to the number of maunds upon which toll shall be levied.

B.—The measurement of the length to be made in feet, rejecting inches, and of the breadth and depth in feet and quarters of a foot, rejecting any remainder of less than a quarter of a foot.

C.—Any vessel falling under this class; the maundage of which exceeds 50 maunds according to the above method of measurement will be given the option of compounding tollage according to the rules and rates contained in Appendices A and B or paying toll per trip as laid down for vessels of Class II in Appendix B (b) : the maundage of such vessels will be determined according to the measurements laid down for Class I vessels.

CLASS II.

A.—The product of one-quarter of the length of the vessel from stem to stern measured outside and along the water-line multiplied by the greatest interior breadth of the vessel multiplied by the greatest interior depth from the water-line to the interior bottom of the vessel, is to be taken as equal to the number of maunds upon which the tolls shall be levied.

* *The word "steamer" includes all types of mechanically propelled craft such as motor boats.*

B.—The measurement of the length is to be made in feet, rejecting inches, the measurement of the breadth and depth is to be made in feet and quarters of a foot, rejecting any remainder less than a quarter of a foot.

C.—The maundage on which the amount of toll is calculated shall be reckoned to the nearest integral multiple of 12½ maunds, rejecting any remainder of less than 12½ maunds. In the case of boats exceeding 500 maunds by measurement the maundage shall be reckoned to the nearest integral multiple of 50 maunds rejecting any remainder of less than 50 maunds.

D.—In the case of boats carrying passengers only, one foot shall be deducted from the full interior depth of the vessel, the other measurements and the calculations for maundage being made in the methods prescribed for vessels under Class II.

CLASS III.

A.—For vessels of class III, the number of maunds obtained by the system of measurement prescribed for vessels of class II shall be increased by one-half. For vessels of this class exceeding 1,000 maunds by measurement, the maundage shall be reckoned to the nearest integral multiple of 100 maunds rejecting any remainder of less than 100 maunds. In the case of steamers, the maundage determined as above shall be reduced by one-third as an allowance for engine space.

B.—In the case of steamers that have been surveyed under the Inland Steam-vessels Act, 1884, the registered tonnage entered in the certificate may be accepted as the tonnage of the steamer in lieu of measurement.

3. All vessels under class I, known and defined as saltees, will be charged under a system of compounded tollage in accordance with rules contained in Appendices A *and B (except where exempted under Rule 2, Class I (C).*

Saltees if brought into the canals from outside for sale may be allowed to pass on payment of single tolls leviable for class II boats, provided that the owner applies to the Toll Collector for such single tickets.

Boats of class II not exceeding 100 maunds measured by canal maundage will be allowed the privilege of compounded tollage at the rates specified in Appendix A at the option of the Supervisor.

4. Every vessel included in classes II and III entering or passing along the canal shall be furnished with a ticket on paying the prescribed toll. The ticket shall specify the station at which it has been issued, the name of the person in charge of the vessel, the date on which the voyage commenced, the point to which the vessel may proceed on the line of navigation, the maundage of the vessel, the amount of toll charged, the number of days allowed for the voyage, and the date of such last day. The number of days so allowed without additional payment shall be calculated as follows :—

Boats.—One day for every eight miles or portion of eight miles, to be traversed together with one day for every 100 maunds of measurement or part of 100 maunds.

Floats (timber).—One day for every five miles for any number of timbers not exceeding 50, and one day for every additional 50 or part of 50.

Rafts (bamboos).—One day for every five miles for any number not exceeding 500 and one day for every additional 500 or part of 500.

5. Every vessel which does not complete its voyage within the number of days allowed by rule 4 shall, for each day or part of a day in excess, be liable to an extra charge equal to one-half of the toll payable on the maundage of the vessel as per Schedule of Rates in Appendix B, provided that in no case shall the demurrage charged exceed Rs. 5 per diem. The Superintending Engineer may, at his discretion, exempt any boats on any line of navigation, or any portion of line of navigation, from the payment required by this rule.

Exemption from payment of demurrage may, at the discretion of the Collector of Tolls, be granted for vessels detained in the channels (steamers broken down and boats damaged) by stress of weather, should immediate notice of detention, for the information of the Collector of Tolls, Magra Hat channels, be given to the nearest toll-station.

6. All tolls are payable on demand and shall be paid at the toll-station before a vessel is permitted to proceed: Provided that *the Supervisor* may, at his discretion, permit vessels belonging to individuals or firms of

recognized standing to proceed without prepayment on an undertaking that the bills for tollage due shall be liquidated monthly on presentation.

7. The ticket must be kept on board the vessel and must be produced for inspection when demanded by any person authorized to do so *and delivered on exit at the last toll-station, or at the branding station in the case of licensed saltees, when the ticket expires.* If, on demand, the ticket is not produced, such person shall assess the tollage as provided in rule 2, and shall require payment of toll, and unless and until the toll is paid, or the original ticket or a duplicate is produced as evidence that toll has already been paid, the vessel will be liable to seizure and detention in accordance with the provisions of section 9 of the Canals Act, 1864.

8. Duplicates of lost tickets, of which the numbers and dates can be satisfactorily established, will be granted by the Collector of Tolls on payment of a sum of Re. 1: Provided that for tickets on which the total tollage is less than Rs. 4, the fee to be charged for a duplicate shall be one-quarter of the total tollage with a minimum of As. 4.

9. A vessel, which has been detained under these rules or under section 9 of the said Act, may not be removed from the place of detention without the order of the Collector of Tolls until the toll due has been paid. During such detention the manjhi, owner or agent must make arrangements for the safety of the vessel and cargo.

10. All vessels, whether the property of Government or of private owners, are liable for toll, except those exempted by the provisions of Bengal Government Circular No. 1*I*, dated the 11th July 1906.

11. Vessels may be hauled up for repairs on the banks of the canals with the previous written permission of the Supervisor or Navigation Canal Officer. A rent calculated at one-sixth the rate of ordinary demurrage will be charged for the time the vessel occupies the bank.

12. At places where mooring posts have been provided by the Supervisor or Navigation Canal Officer, vessels desiring to moor shall be made fast in single line along the banks to such posts in such manner as the Supervisor or Navigation Canal Officer may direct, and shall not be moored in any other manner.

13. The Supervisor or Navigation Canal Officer may, by written notice to be posted at the toll offices, prohibit the dropping of anchors or the putting up of bamboos or *luggees* in any specified part of the canals or on the banks.
